

Pick A Wrestlemania For Me To Redo

It's that time of the year again, as somehow the Wrestlemania Count-Up will begin on February 26. That means I'll be putting up a Wrestlemania review every day until Wrestlemania XL this year. As usual, I'll be redoing some of the shows, including last year's Wrestlemania XXXIX. The other one will be up to you, as you can vote for the Wrestlemania I look at again. All are eligible, save for the following, which I've either done too many or too recently:

Wrestlemania VII

Wrestlemania X

Wrestlemania XVII

Wrestlemania XX

Wrestlemania XXIV

Wrestlemania XXX

Wrestlemania XXXVIII

Vote in the comments below and thank you as always!
