

Impact Wrestling – October 30, 2025 (A Very Hardy Halloween): I Knew It Would Come

Impact Wrestling

Date: October 30, 2025

Hosts: Matt Hardy, Jeff Hardy

Hopefully they have something fresh around here, as we're now coming up on an entire month since Bound For Glory. It would be nice to get some actual build towards something new, as you can only recap so much from the pay per view until it loses any impact it might have. Let's get to it.

The opening sequence shows...that it's a Very Hardy Halloween. Oh boy.

The Broken Hardys welcome us to the show and say that tonight we're going to see the goings on at the Hardy Compound over the years, starting with the Final Deletion.

From July 5, 2016.

Matt Hardy vs. Jeff Hardy

This is outside and in the dark in somewhat rickety looking ring. Before the match, Matt tells the referee (who he makes sure is licensed) to count the pin or call the submission. Matt plays the violin (given to him by Antonio Stradivari, who died in 1737) to summon the enigma. Jeff rides up and Matt tells him to prepare for his deletion. We come back from a break where the gardener reads us a statement saying not to try this. It's in Spanish but it's a nice gesture.

They trade punches to start and the longest stretch without

the camera cutting is about four seconds. Jeff superplexes Matt (slow motion) and gets two off a splash before pulling out what appear to be shutters covered in ivy. Matt goes through those for two as we have music playing instead of commentary. Matt takes over with a kendo stick to the back as this is only a match in the loosest of terms.

We've got a ladder less than two minutes in with Jeff being knocked back into the corner and choked with the rungs (Matt: "DELETE! DELETE! DELETE!"). The Side Effect onto the ladder is countered and Jeff hits a Twist of Fate before taking his shirt off. The Swanton gets two and Jeff puts the ladder on the middle rope. That's not enough though as he climbs into a tree (yes a tree) and dives off, hitting only the ladder on the way down. That only gets two so Matt hits him with a chair and pulls out a firework cannon to shoot at Jeff, who blocks it with a trashcan lid.

Since that didn't work, Matt pulls out a rake and calls for Brother Nero. Jeff has his own fireworks to shoot at Matt, who hides behind a metal boat as the music switches from something resembling classical to rock. Jeff turns the boat over but gets caught in a sleeper because after fireworks, of course you use wrestling moves. They fall into the water and Jeff disappears with Matt saying he's been flushed. Jeff pops out of the water in full Willow gear and chokes Matt with the umbrella until the gardener comes up with a stun gun to knock Jeff out for the pin at 7:27.

Actually not so fast as Matt takes the mask off and it's....the gardener. Jeff pops back up and knocks Matt into a dirt pit for more choking but lets go when he sees a massive Hardy logo. Jeff climbs onto that as we go to a Wyatt style montage of the birthday party. Reby hands Matt a candle and he sets the symbol on fire to knock Jeff off for the pin at 9:36.

Rating: N/A. No rating since this had nothing to do with wrestling and was heavily edited throughout. Normally I would

explain something stupid here but do I really need to? This was Matt and Jeff shouting LOOK AT OUR BRILLIANCE and Dixie being stupid enough to let them do whatever they wanted. Words don't describe this one well enough but I hope Matt and Jeff financed this themselves because TNA is broke enough that they can barely afford to pay their production staff but they can have this....thing which probably cost a small fortune.

The Hardys talk about what happened when they fought. Then it was time to fight someone else though, so it's off to Delete Or Decay.

From September 8, 2016.

It's time for Final Deletion II. Decay goes after Senor Benjamin but he turns a shovel around to show the word DELETE. We cut to Decay arriving at the house, which Rosemary calls home sweet home. They look through the window to see Reby holding Maxel but here's Matt, who KNEW THEY WOULD COME.

Back from a break and it's time for the showdown with the Hardys (the three adults) holding up their fireworks. Abyss: "THIS IS NOT BEAUTIFUL!" Hang on because there are going to be a lot of very quick cuts in this thing. The Hardys chase them off with the fireworks and a ladder is knocked over. It's really hard to see what's going on here but for some reason fireworks are being shot horizontally at Decay but a camera cut shows them exploding in the air.

Matt sends Reby back to the house as Decay hides behind ye olde dilapidated boat. Abyss tells someone to get to the house and Jeff dropkicks the boat into the water. Cue Senor Benjamin to say Matt needs the boat. Jeff disappears and Benjamin starts pulling the boat but Joseph Park walks out of the water. Park: "Brother Benjamin! I loved you in Final Deletion!" Benjamin tases Park and puts him in a conveniently placed bulldozer.

It's off to Steve, who tries to send Jeff face first into a

fire inside a big tire. That earns Steve a sitout gordbuster into a pool and they fight underwater. Matt is walking through smoke and calling for Rosemary as Benjamin dumps Park (presumably) into a grave. Jeff chokes Steve out under the water and sits on the side of the pool, only to be pulled back in ala the end of Friday the 13th.

Back to Benjamin who laughs at the grave but Abyss pops out to choke him. Steve and Jeff fight over a pool toy but it's back to Abyss going after Matt and pulling out Janice. Jeff takes the shot to the ribs for his brother but here's Vanguard I to launch rockets at Decay. The Hardy symbol in the grass is lit on fire with Steve inside.

We cut back to the house where Rosemary has Maxel. Vanguard I tells her to put him down so she blows mist at the drone to knock it offline. Maxel escaped somewhere in there and here's Matt to say Rosemary has crossed a line. She mists him but he sucks it into his mouth and spits it back at her. Maxel staggers over to Matt as Reby reappears. The family is reunited but we cut back to Jeff who is laying on the ground in agony. Steve laughs at the fallen Benjamin and a car, I guess containing Decay, leaves to end the match at around 17:00.

So yeah, the Final Deletion is basically Sharknado. It was a lot of fun the first time because it was just so stupid but the second version is really just a bigger budget version where you expect the same stuff over and over again. Other than the random Joseph Park cameo (really funny), this was a lot of the same bits that they did the first time but without the "what am I watching" reactions. I had fun with it and all but I really don't need to see this again unless they come up with something fresh next time. It also doesn't help that this set up (in theory) a regular tag match at Bound For Glory. Isn't that kind of backwards?

The Hardys talk about how awesome that was and now it's time

to crank it up again, with Tag Team Apocalypto.

From December 15, 2016.

Tag Team Titles: Tag Team Apocalypto

The Hardys are defending and this is under elimination rules with eliminations coming via pinfall or submission. The match starts in the arena so we get to see who is in at the start. Here's the lineup:

Hardys, Helms Dynasty, Rock N Roll Express, Decay

That's it for now as smoke fills the arena and everyone has to evacuate the building. We see Lashley and Edwards still fighting before cutting back to the teams. Everything goes insane and the teams are outside with firework guns. Abyss: "NO! NOT AGAIN!" The fireworks going into the air and Helms tells his boys to get out. Matt appears in the back of their truck and attacks Lee so Jeff tells the referee to get on the back of his motorcycle to chase after them.

A bunch of teams are at the entrance to the Compound and Decay lets them in because this is going to be beautiful. Matt throws Everett into the Cameron City Limits sign for two (yes there are counts in this) with Helms making the save. It's a huge fight as some of the teams get in, though none of them are introduced. Crazy Steve snaps one of their necks for a pin on someone never identified.

Another team is allowed in as Spud is shown waiting on his partner. The Bravado Brothers (Harlem and Lance) show up as the Dynasty and Hardys fight in front of an antique store. Where did the Express go? Back at the entrance, a team called the Ugly Ducklings (maybe) enter and are eliminated in just a few seconds via Abyss' chokeslam.

The Hardys and Dynasty keep fighting as Abyss beats up a team called Showtime. The Bravado Brothers sneak in as Showtime is

quickly dispatched by way or a rock to the head. I'm almost certain we're not supposed to know who any of those teams were though it's not like we got a good shot at almost any of their faces. Spud's partner finally arrives and we take a break.

Back with Spud's partner being revealed as.....Hornswoggle. Decay lets them pass so we cut back to the brawl taking place by the Lake of Reincarnation. A jumping knee to Jeff's face gets two as Matt makes the save by moving the boat with his mind. The Dynasty starts stomping on the boat until Jeff makes the save with a double noggin knocker.

Matt shoves Helms into the Lake and it's time for a 3 Count reunion, by which I mean Shane being part of 3 Count and yelling that Everett and Lee are no Evan Karagias and Shannon Moore. They superkick Helms into the Lake as the Bravados show up to roll them up for two each. The Express are in another ring (four sided this time) nearby and call the Hardys in for a fight.

This goes as well as it's going to go in 2016 but now we cut back to Edwards and Lashley because that's still going. Wait now it's back to the Dynasty vs. the Bravados with the referee coming out of a portable toilet to do his job. Everett hits a standing moonsault onto I believe Lance, leaving Harlem to be sent into a wall. They head inside the arena to keep brawling as we cut back to the other ring. Ricky and Jeff are in the kind of machines used to get people to the top of telephone poles and it's time for another break.

Back with the cranes coming together so Ricky can work on the arm. The volcano is going off in the background as Robert works on a spinning toehold. Matt grabs one of the crane's controls to send Morton flying through the air. We go back to the other arena where Everett is covered for two. We're back to the cranes though with Jeff Swantoning out and missing Robert, only to have Matt hit a Twist of Fate to get rid of the Express.

So I believe we're down to Decay, Spud/Hornswoggle, the Bravados and the Dynasty, assuming no one else arrives. Back in the other arena, Spud and Hornswoggle go after the two downed teams with Hornswoggle swinging a chair. Spud eliminates the Bravados but gets powerbombed by Hornswoggle, setting up the Tadpole Splash. Everett pins Spud to get rid of another team.

Back to Lashley choking Edwards with a cord of some kind as Morton is still stuck on the crane, demanding to be let down. Road Warrior Animal of all people is here, asking how Morton got stuck up there. Decay finds James Storm in a mask but multiple other DCC members show up. One of them takes off his mask and Storm has no idea who it is. Whoever it is gets knocked out with Abyss getting the pin, which eliminates the entire DCC. Storm gets in a superkick for good measure. Steve wants to go add to this pile of bones and we take another break.

We come back again with the Hardys and Decay fighting near the volcano and Lashley and Edwards fighting nearby. The volcano erupts violently and we've got the Hurricane rising from the Lake. That means it's time for breaking news with news anchor Gilbert Corsey saying Cameron North Carolina's fate is in the Hardys' hands.

Back to the outside ring with Decay and the Dynasty each picking a Hardy to beat on. Matt is taken to a graveyard of Hardy logos as Jeff fights back on Decay. Janice is brought in and Jeff's comeback is cut off by a low blow. Vanguard I comes in and that means another fireworks war. Abyss takes one to the eye and Vanguard celebrates.

To the other teams as Hurricane saves Matt from a shovel to the head. Apparently the Dynasty is broken and a double pin (Can Hurricane do that?) gets rid of Everett and Lee. Matt and Hurricane bury them, which Matt says would make even the man with three H's proud. Lashley throws Eddie onto the house's

porch and then no sells a Hornswoggle spear.

Abyss is back up but a huge Hardy symbol catches on fire around him. A lot of brawling ends with Abyss taking Matt back into the ring. Matt gets Janice though and a shot to the ribs (with some quick edits) means Matt can make his weird noises. Steve and Jeff fight near the volcano with a Twisting Stunner sending Steve into the mouth. A big explosion sends Steve's charred body flying into the ring so Matt can get the pin to retain at 44:10.

Rating: N/A. You think I have any idea how to rate this? As I've said many times, I rate wrestling, not a bunch of people running around a big field with a few wrestling rings involved. I know there's an audience for this and I was excited about what it might be, but you knew they were over hyping this to death.

All that talk about teams breaking contracts and such to show up turned out to be the nonsense that it was expected to be, leaving us with a joke like the Rock N Roll Express, an indy team in the Bravados, Spud and Hornswoggle as another joke (I think?) and three TNA teams. Oh and the jobbers. Don't forget the jobbers.

No one really bought that any WWE names were going to show up here and the match was a big mess of standing around waiting for the bigger names to show up. The big moment here (I guess) was the Hurricane return and that's really nothing special. If you knew you weren't going to be able to get anyone here (Young Bucks? Maybe?), don't hype it up like it's a done deal. No they never said it, but if it's nothing outlandish, mentioning a name in wrestling means THEY'RE GOING TO SHOW UP.

I was really, really disappointed in this as I bought into the hype of the whole thing. But, of course, TNA manages to let me down and thinks that I'm going to be entertained by a joke about HHH burying people when the Hardys (combined age of 81)

just beat almost the entire tag team division in less than an hour. There was no big moment, there was no big surprise and there was no big difference between this and the rest of the Hardy specials.

Oh and for a bonus: Reby reveals that she's pregnant and pyro goes off.

From December 15, 2016.

We go to the Dome of Deletion, a mini arena set up with a live crowd, a ring and an entrance shaped like Matt's open mouth. The Hardys come out with Matt promising fifty of his followers appearing tonight. If they don't prove their greatness tonight, the Seven Deities will remove the powers of deletion.

Cue Rockstar Spud to say he's sick of all this, including King Maxel. The infant gets a chant so Spud wants to be his first opponent because the kid hasn't had a match yet and he's more over than Spud has ever been. Spud promises to stretch Maxel and make him a loser like his father. Matt actually sanctions the match and makes it No DQ.

King Maxel vs. Rockstar Spud

Maxel drives to the ring in a mini Mercedes because of course he does. The bell rings, Benjamin tases Spud and Maxel gets the pin in 19 seconds. Cool moment, though Kevin Owens basically did the same thing in PWG a few years back.

The Hardys don't like that the Nemeths came to the Hardy Compound and escaped. That must be revisited.

From April 24, 2025.

The Nemeth's go to the Hardy Compound and see Willow (with umbrella) waiting for them. Back from a break (because this needs to go longer), the Nemeth's are in the compound and Willow starts dancing. Then a light flashes and Willow disappears, leaving his umbrella behind. Jeff Hardy jumps Nic

and sends him into a tree before beating on him with an umbrella.

They fight into the back of a truck and Jeff is backdropped off the top of said truck and through some well placed tables. Nic goes into the truck and finds a suitcase, with one of the title belts inside. In a case of what is likely breaking and entering, Nic goes into the house and we cut to Ryan getting jumped by Matt Hardy. As Nic wanders through the arcade, he finds a collection of titles and steals the other TNA tag team title, replacing it with a weight.

Matt has a pre-mo-neetion and spears Ryan into a pool. Then Ryan shows up in the arcade, where Senor Benjamin gives him a ticket. Ryan walks in, where Matt's kids are sitting in chairs and eating popcorn. Benjamin sits down in one of the chairs next to Ryan and we see a silent movie about Maxel (Matt's son) beating Ryan.

Then Ryan wakes up on a psychiatrist's couch, with Maxel taking notes. Ryan talks about the issues that came with Nic's suspension and all of the pressure on him. Then Ryan walks up to Reby playing the piano with her daughter by her side. Ryan and the daughter argue over the Nemeth's wanting the Tag Team Titles. Then a bird appears and Ryan is now a goth and doing standup with one of Matt's other sons.

The son asks if Ryan wants to hear a joke. Ryan: "Sure." Matt's son: "Your career." Then Matt pulls Ryan out of the pool but stops to chase Nic, with the Tag Team Titles. One of Matt's sons grabs Nic and gets shoved down, triggering a fight with Matt. Broken Jeff appears as the Nemeth's escape with the titles. Counting a commercial, this was about twenty minutes. Because TNA hates us.

And one more, as the System visits the Hardy Compound.

From June 13, 2024.

The System looks for a way into the Hardy Compound. Post break, they find their way to the back, where Matt Hardy meets them from a balcony. His family, including Senior Benjamin, are waiting for him. Moose walks into a trap, which sets off a bunch of fireworks, while Brian Myers is confused by a Curt Hawkins figure. He goes into Matt's arcade and finds more figures, as planned by one of Matt's sons. Then Myers is scared by moments from his past, including a pair of Edge tights and discussions of his losing streaks.

We cut over to Eddie Edwards being stalked by another of Matt's sons and then turning into the American Wolf (as in a werewolf). We cut to Alisha Edwards slowly walking through the house as Reby Hardy plays piano. Then Reby's daughter uses magic to send things flying at Alisha.

We cut to another of Matt's kids guiding Moose to Matt. This includes a stop at Senor Benjamin's house, where he watches previous Broken Matt exploits. Matt pops up and attacks Moose, including putting him in a wheelchair. We cut to Reby seemingly beheading Alisha with a guillotine and then cut back to Matt sending Moose into the Lake Of Reincarnation. Moose comes out in football gear but Vanguard 1 shows up for a distraction, allowing Matt to hit a Twist of Fate. The System bails while still making threats.

This stuff was funny at one point but then it became the same jokes over and over again, as the Hardys are weird and their kids are creepy. It really feels like Matt is the only one who wants to do this and that doesn't make for a good show over and over. This just kept going and was more about references from other promotions, which don't make me want to see the matches on Friday, but rather just getting rid of Hardy in general. Not good here, though I'm sure it still has something of an audience.

The Hardys wrap it up, with Matt pre-mo-nating the biggest battle ever next year.

Overall Rating: C. Ok so as you can probably guess, this is absolutely not my thing. I get why they went with this for the Halloween show, but my goodness the charm here ran out very quickly. It's a total detour for a special night, but at the same time, they absolutely need to get SOMETHING related to their major stories.

Every bit of momentum that they had from Bound For Glory is gone and it gets worse each week. Just have people cut promos or something and set something up. That really shouldn't be too much to ask, but instead we're flashing back nine years to people who have nothing to do with what is going on here. This was a totally wasted week and it was little more than something to completely skip.

Results

Matt Hardy b. Jeff Hardy – Jeff feel off the Hardy symbol

Hardys won Tag Team Apocalypso

King Maxel b. Rockstar Spud – Pin after a taser shock
