## Episode 54

It's a Sunday show this week after Medieval Busters held NorCal hostage. We're talking about AEW and some of the rumored WWE departures of the week. Also we hit the mailbag.

Make sure to keep sending in your questions so we can fill said bag again. If we don't get to them, I'll answer a few of them in the comments.

## **Update On Things**

My grandmother's funeral was today and things should be settling back down. I haven't decided if I'm doing NXT tonight but odds are I won't be doing it live. Starting tomorrow or Friday, I should be able to start catching up on the shows I've been missing. I'm sorry for the delays but my mind hasn't exactly been up for work lately and I wouldn't want to force things out when they wouldn't be up to my usual standard. Things will be back to normal pretty soon and I have a list of the shows I've been missing so eventually I'll get them all up.

## **Things Are Going To Be A Bit Slow**

My grandmother has been diagnosed with cancer for the fourth time and likely won't be making it until February. I'll be at the hospital more often than not and while I'll have my laptop, I won't be able to do much. I might check out a show

just to get my mind off things for a bit but I have no idea how things are going to go for the time being.

## Server Issues

I've been talking to the tech support people and the server the site is on is having some issues at the moment. It should be back to normal soon though so please bear with me.

# Happy Christmas To All

And to all a good day or night.

Unless you're watching Smackdown like I am.

## Pick A Royal Rumble For Me To Redo

Somehow it's already time to start up the Royal Rumble Countup again and that means I need to redo some shows. As usual I'll be redoing the 2018 edition but I need another one to do as well. You all can pick it by voting in the comments. All the shows are eligible, save for the following (ones I've done recently):

1997

2001

2003

2004

2017

# So Question

Do you all like it when I post happenings in wrestling (stuff like Vince's announcement, Owens and Zayn returning and the result from Smackdown's tapings) with the quick thoughts on them? I stopped doing them for a long time but they're easy to do and I can get them up faster than a bigger piece.

# Happy Anniversary

Eight years ago today, I posted the first review on the site. Thank you all for coming here this long and I hope that you keep doing so. It's been a blast and that's going to be the case as long as you all want me around.
