New E-Book: KB's History Of Monday Nitro Volume III (Including Thunder!)

When we last left WCW, they were the undisputed kings of the Monday Night Wars and that's certainly still the case as they come into 1998. Things were so good that they decided to more than double the amount of television they were airing per week. To say this might have been too much too soon is an understatement but WCW had done stupider stuff before.

In this book, I'll be looking at every episode of Monday Nitro and Thunder from January through June of 1998. This is the time where the Monday Night Wars finally started to get competitive again after nearly two years of being completely one sided. Having two shows a week was a fresh idea as well, making this a very important time in wrestling history. As usual I'll be providing play by play, historical context and analysis of every show.

Also remember that I've already covered 1995-1997 Monday Nitro in case you don't want to jump right into the later stuff. Both books are available from my Amazon author page.

The book runs over 300 pages on a Kindle and only costs \$3.99, or the equivalent in other currencies. If you don't have a Kindle or e-book reader, there are several **FREE** apps you can use to read it on pretty much any electronic device. You can find those from Amazon [here](#).

You can pick up the book from Amazon [here](#).

From the UK Amazon [here](#).

From the Canadian Amazon [here](#).

Or if you're in another country with its own Amazon page, just search "KB Nitro 1998" and my book will be the first thing that pop up.

Also you can still get any of my previous books on the WWE Championship, Monday Night Raw from 1998 and 2001, Monday Nitro from 1995-97, In Your House, Summerslam, Starrcade, ECW Pay Per Views, Royal Rumble, Saturday Night's Main Event, the WWF and WCW pay per views from 1998 and Clash of the Champions at my author's page [here](#).

I hope you like it and shoot me any questions you might have.

Wrestling Wars Episode #6

This week we have another first time guest with the Shockmaster. He's every bit as big of an old school wrestling fan as I am, he's an archaeologist and a huge comic book fan. all of which will be discussed on the show. This is going to be an awesome show.
