

Something I've Wanted To Say For Over 20 Years

I'm going to Wrestlemania. Booked the hotel room today, non-refundable. Buying the ticket the day it goes on sale, along with a ticket to Axxess. I might take in the Raw the night after the show as well but I'm not sure.

I'm thrilled and I can't thank you all enough for supporting me as you have. You're the reason I can make this trip. Thank you all so much.

New E-Book: KB's Complete Monday Nitro Reviews Volume I

Yes I've done it again, this time with the first in a series Monday Nitro reviews. Volume I covers everything from the first episode through the end of 1996, which includes a lot of awesome moments and matches. These shows feature a long series of Eddie Guerrero vs. Chris Benoit matches, a bunch of world title matches and changes, the New Japan invasion, the debut of Chris Jericho, the Alliance to End Hulkamania, the reformation of the Four Horsemen, and of course the rise of the NWO in their dominance of WCW.

This was one of the most important times in wrestling history

as the way wrestling was presented on television was changed forever. The days of an hour of squash matches a week were gone and the flagship show was now on Monday nights. The Monday Night Wars were underway and this show rocked Monday Night Raw to its core. These shows still hold up today and are well worth checking out.

The book is available from Amazon for just \$4 and can be found in America [here](#)

In the UK [here](#)

And in Canada [here](#)

If you live in another country and have an Amazon specific to said country, just search KB's Nitro and it should be the only result that pops up.

If you don't have a Kindle, there are completely free apps you can download to any device imaginable which can be found from Amazon [here.](#)

Please check it out and I hope you enjoy it.

Win Free ROH Death Before Dishonor XI Tickets!

Some friends of the site are running a giveaway for two tickets to ROH's big show this coming Friday night. This would be the show featuring the semi-finals and finals of the ROH World Title Tournament, meaning if you go to this show you will see a new world champion crowned.

Here's what you have to do:

Listen to a few guys who know what they're talking about talk wrestling and sports for a few hours. The giveaway is being done by the Mouth of the South Shore radio show which airs Wednesday night at 9:30 PM EST on Blogtalkradio.com (internet radio). It's a show I've been on before and the guys know their stuff so it won't be boring to sit through. Here's the link:

Check it out and try to get those tickets if you can go.

E-Book Feedback Wanted

This is something I just don't get, though I'm not complaining about it. I've been looking at my e-book sales (thank you all for buying any of them you have) and something is clear: the History of Starrcade is blowing everything else away in terms of popularity. Last month, when the prices were all equal, it sold more than the other three combined. Is it something about Starrcade or is it WCW or is it something else? Should I do more WCW shows?

Also in general what do you want me to cover in the future books?

Any answers are greatly appreciated

New Series: Required Viewing

A lot of times in reviews I'll call a match or promo required viewing. Unfortunately I don't often talk about them in detail, so I figured I might as well do it more often. Every so often (it won't be daily) I'll post a promo or a match (as in the Youtube video of it) that I think is worth seeing and tell you why it's so awesome. I'll try to keep this a bit less familiar, as in there won't be stuff almost everyone has seen like Savage vs. Steamboat or Razor vs. Shawn.

Hope you enjoy it,

Selling A VHS On Ebay

I found this at a bookstore the other day and thought I'd throw it on ebay to see if anyone would buy it. It's the original VHS of Bash at the Beach 1996, the Hogan heel turn show, and is in good condition. I have a few more wrestling things I might put up if this sells. Buy it before the auction ends tomorrow.

Won Some House Show Tickets

My local radio station has a wrestling expert and if you can stump him you can get tickets when WWE is in town. This makes me 2-0 against him. Ironically enough, he reads my stuff.
