

# Thank You Again

Yesterday (Tuesday) saw a new record for most views to my site in a single day. The old record took about nine months to break. This one took three weeks. Thank you all for continuously showing up and reading my rambling thoughts. I can't say enough how much I appreciate it.

# Had To Make A Few Adjustments

I had some technical issues so I had to tweek a few things on the All Reviews page. Everything should be the same but if you find a problem with it or any of the other pages listed along the top of the site or on any other other lists of reviews, please let me know.

# Merry Christmas Everyone

I hope you have a fun and safe Christmas. Spend time with your families, open presents, eat good food and try to watch some wrestling. Thanks for making the site's year the biggest

it's ever been and I'll be back next year with even more reviews.

## **Thank You All Yet Again**

Today (Tuesday) broke my all time record for views in a day. The site has been doing better than it ever has since October and that's because of all my readers. Thank you for sticking around. I can't state how much I appreciate it.

## **KB Contest: Someone Name This Freaking Move Already!**

I've seen this move used for years and I have no idea what to call it. This is driving me crazy because simple things like this make me insane. It's the one where a guy is in position for a 619 and the other guy hits a running crotch attack to the back of the guy in 619 position. Big Bossman, Jeff Jarrett and Road Dogg regularly used this. Whatever the best one I get by....let's say the time TLC goes on the air will be the official name of the move until either eternity or until I

get bored with it and want something new.

Go.

---

## **Pick The Christmas Special**

I want to do a special review for Christmas but have nothing in mind for it. What would you guys like me to do on Christmas Day? Obvious it requires me to be able to find a copy. It doesn't have to be Christmas related.

---

## **The Royal Rumble Redos**

I'm starting them today and they'll be going up once a day starting January 2, the day after the debut of On This Day. Also to clear something up, On This Day won't be all new reviews. I don't think that many new shows exist. Sorry if there's any confusion.

# Happy Thanksgiving

I just wanted to say thank you to everyone who comes here every day and has supported me over the last two years or so. My numbers haven't been stronger than they have been in the last few weeks ever outside of Wrestlemania time so I'm thrilled with the response I've been getting. Thank you very much for it and Happy Thanksgiving to those of you that celebrate it.

# Announcing A New Series: On This Day

You have to have the start of Edge's theme song in your head as you read that. The idea is simple: every day (as far as I can) in 2013, I'm going to post a show that either occurred or aired on that day of the year. I'll try to stay away from taped shows but if there's nothing else I can do then I'll have to go with that. It might be from a major company, it might be an indy company, it might be something you've never heard of, but it'll be once a day for 365 days. I hope you enjoy it.

# I'm Going To England

Leaving tomorrow, back on the 20th of November. Therefore I won't be having live reviews up of shows until a few days late at least. However, I have a HUGE backlog of PPVs and TV shows that I can put up and I'll have all of the Survivor Series Redos up so there will certainly be new content up (almost) every day. I'll be looking at the results of every show and I'll put up some quick thoughts about each. I'll be missing:

November 8 – Impact

November 11 – Turning Point

November 12 – Raw

November 14 – NXT

November 15 – Impact

November 16 – Smackdown

November 18 – Survivor Series

November 19 – Raw

Then I'll be back and playing catchup over Thanksgiving. Remember to keep coming back while I'm gone though because there WILL be new content up (almost) every day.

Thanks for being around
