

# E-Book Feedback Wanted

This is something I just don't get, though I'm not complaining about it. I've been looking at my e-book sales (thank you all for buying any of them you have) and something is clear: the History of Starrcade is blowing everything else away in terms of popularity. Last month, when the prices were all equal, it sold more than the other three combined. Is it something about Starrcade or is it WCW or is it something else? Should I do more WCW shows?

Also in general what do you want me to cover in the future books?

Any answers are greatly appreciated

## Thank You All

Today I hit 1 million views. I can't believe I actually reached that point and thank you all for continuing to check out my stuff. I'll be here as long as you guys keep reading me. Thanks again.

# **New Series: Required Viewing**

A lot of times in reviews I'll call a match or promo required viewing. Unfortunately I don't often talk about them in detail, so I figured I might as well do it more often. Every so often (it won't be daily) I'll post a promo or a match (as in the Youtube video of it) that I think is worth seeing and tell you why it's so awesome. I'll try to keep this a bit less familiar, as in there won't be stuff almost everyone has seen like Savage vs. Steamboat or Razor vs. Shawn.

Hope you enjoy it,

# **All My E-Books Are Now \$4**

I'm not sure how long I'll keep them there but odds are it won't be forever. This includes:

Complete 1998 Monday Night Raw Reviews

Complete 2001 Monday Night Raw Reviews

History of Starrcade

History of the WWE Championship

You can find all these books on my Amazon author page here:

All are \$4 or the equivalent of that price in foreign currency. You can find them in any country that has Amazon on their respective websites. Please check them out if you haven't before and I'll be having a new one coming out hopefully at the end of next month.

Thanks as always,

## **Selling A VHS On Ebay**

I found this at a bookstore the other day and thought I'd throw it on ebay to see if anyone would buy it. It's the original VHS of Bash at the Beach 1996, the Hogan heel turn show, and is in good condition. I have a few more wrestling things I might put up if this sells. Buy it before the auction ends tomorrow.

# New Book – KB's Complete 2001 Monday Night Raw Reviews

It's that time again as I've put together a new book with reviews of every episode of Monday Night Raw from 2001 for just \$5. The book covers everything from the road to Wrestlemania XVII through the Invasion through the Undisputed Title to close out the year. It runs over 270 pages and contains 52 episodes of Raw.

The book is available worldwide and can be picked up in America [here](#)

In the UK [here](#)

And in Canada [here](#).

If you live somewhere else and want to pick it up, just search "KB's Complete 2001 Monday Night Raw Reviews" on your Amazon site and it should be there.

It's an e-book format, but if you don't have a Kindle or any other kind of e-reader, there are free Apps which can let you read it on your computer, phone or whatever else you prefer. You can find those free apps here:

Anyway, I hope you like it and enjoy.

## **Won Some House Show Tickets**

My local radio station has a wrestling expert and if you can stump him you can get tickets when WWE is in town. This makes me 2-0 against him. Ironically enough, he reads my stuff.

Be a REAL American!

Or a real whatever-ian you are!

## **A Nice Present For KB**

A guy from the forums has sent me twelve copies of the Pro Wrestling Insider newsletter from 1997, one of which might be the first issue. I'll look through these and if anything of interest pops up I'll let you know. I've never been a big fan of newsletters but I'll gladly take free stuff.
