

# Rumble Review Might Be Here Tonight

It's more likely than it was. Check back.

Please?

## What Should I Count-Up Next?

I have a backlog of probably close to a thousand reviews so I have more than enough to go over a year with a new one up every day. What would you all like to see? Here are a few that popped into my head:

Clash of the Champions

SNME

In Your House

Monday Nitro (I have over the first 60 episodes done)

Every ECW PPV

Almost any series of show from WWF/E, TNA or WCW

Any other suggestions? Should I not do one of these for awhile? It's up to you all.

## Over 100 New TV Shows

Found, put on a list, and will be randomly selected for reviews eventually. It's mainly 80s syndicated stuff from WWF,

WCW and a few other territory companies. This should be awesome.

## **Messed Up The Rumble Countdown.**

I put up 09 by mistake so 08 will go up Thursday. Sorry about that.

---

## **Thanks One More Time**

Remember how earlier I mentioned a new page views record? Well... It didn't even make it 24 hours. Thanks again guys. This is blowing my mind and I appreciate you all sticking with me.

## **Thanks Again Everyone**

Monday was again a record setting day here as I hit a new high in page views. The original (and by that I mean the first time I started paying attention) record stood for 9 months. This one lasted 26 days. Thank you all for that.

Two more things: 1. Just to brag a bit more, I was used as a source for the first time that I know of:

Click on the link about ECW's first show.

2. Starting this coming Saturday, I won't be reviewing as fast for the next two weeks. Odds are the Rumble review won't be up in full but I'll likely be watching the show and I'll give my thoughts on it. Sorry for the delays but it's out of my hands.

Thanks again,

## **Big Series Coming**

I've spent the last two weeks writing it. It's going to be a series on an old school company and why they're no longer with us. At 15 and a half single spaced pages, putting it in one post seems like a bit much, so starting Tuesday, it'll be here in five days. Look for it, and I hope you're a fan of board games.

## **Royal Rumble Count-Up Begins Thursday**

These seem to be pretty popular. Just out of curiosity... What's your favorite Rumble?

---

## **Thank You All Very Much**

Wednesday was the biggest day I've ever had on here and it's because of you all. Thank you very much as I've been wanting to break my old record for over 9 months now.

## **Coming Soon: Table of Contents**

Sometime soon, hopefully before the end of the year, I'll be trying to consolidate a list of links to all shows I've done and putting them on the top of the main page. I'll keep it updated with each review I post for easier navigation for both

you all and myself.
