

What Do You Want To See From Me?

Simple question: what kind of content do you want on here? I'm not at all saying I'll change the style I've been using, but what would you like to see as far as content? The style of the reviews isn't going to change and I'm going to be doing the regular TV shows no matter what. Aside from that, what would you like to see?

Merry Christmas To Everyone

Hope you and your loved ones have a Happy Christmas full of good food, good times with family and presents. I'll be at my uncle's place tomorrow so the reviews will be a bit slow until Monday, but I might be able to get one up tomorrow.

Merry Christmas!

Starting Tomorrow

Through the Saturday after Thanksgiving, things are going to be a little slow. I'll have someone coming into town and I'll be wanting to spend as much time with her as possible. I won't be able to do the live reviews but I'll probably have the reviews up no later than 24 hours later. I'll have the

Survivor Series Count-Up stuff every day and I'll post some quick thoughts on the PPV on Sunday if I get to see it live. Thanks for your patience.

Survivor Series Countdown

I completely forgot about it this year. I'm going to start posting two a day, starting with the 87 original and the one that would be today (Sunday, 1997) and I'll be caught up in about 5 days. Sorry about the delay.

Updated the Links Page, Added Facebook Link

As the title says I put in the link to the site's FB page. I only have it to advertise a bit and you can't comment on there anyway as it makes it easier for me to see comments if they're posted here. Please take a second to like my page so I can get my name out there a bit more. I'd appreciate it. You can like individual reviews if you want also. I'd appreciate it if you would.

Now On Facebook

This wasn't my idea as most of you know that I hate social media. Anyway there's a page for it now and I'll be looking into a way to automatically post links to it. If anyone knows how to do that please let me know.

Anyway it's there now so maybe it'll help me get some new blood here. Also note that the odds of me ever checking that page are about 1 in 104858759385965 so don't post something there that you want me to read.

Links Updated

Dropped the 411 link because I don't post there anymore and added a new one in the form of Adam King's blog. He does some

old school WWF reviews and is worth checking out.

ROH TV

Apparently I'll be getting their new show in my area so I'll be reviewing it when it debuts. I've only seen a handful of their shows and I've liked most of them so maybe this will be good.

A Couple of Announcements

First of all, the regular reviews are going to be delayed next week. I have someone coming to visit me and I'll be spending as much time with them as I can so I won't be able to review the shows live. I'll do my best to get them up a day or so later but I can't guarantee it. Please bear with me and remember it's just for one week so starting on the 29th, everything should be back to normal. I'll post something every day though, even if it's just something old school etc.

Second, I'm going to try (emphasis on that word as those of

you that know me know I'm rather forgetful at times) to have some more general discussion topic which I'm going to try to post every Wednesday, Saturday and non-PPV Sundays. There's just nothing going on those days and I'd like to give you guys something to talk about if you want to. It'll be general stuff like Favorite Tag Match or something and I'll give my answer also.

Finally, if you guys ever think I'm wrong on something, please call me out on it. I've been involved in a wrestling forum for years so debating wrestling is something I love very much and don't get annoyed with at all. Please don't hesitate to say you think I'm totally wrong on something because there's every chance I might be.

Site Update

As you may know, I was hacked yesterday. As you may know as well, it seems to be ok now after I talked to the hosting company. If it happens again, please be patient and things should be back up within a few days, with the emphasis on the word should.

Also I'll have NXT up Wednesday, assuming nothing goes badly.
