

# Cody Rhodes on Arrow

Playing a supervillain in an episode where there's a new drug called Stardust. The episode is fine but the wrestling connection....doesn't exist. Unless I missed it, and I'm pretty sure I didn't, TNA didn't mention this once on the recent episodes of Impact. Yeah one of their stars is appearing on a network TV show in a cool role and they don't have time to mention it. They can plug Dixie's Twitter and give us 19 mentions of whatever Pop TV show is airing but they can't say this once?

## TNA's Latest Woes – October 14 Version

Oh sweet goodness where do I even begin?

So in the last twenty four hours or so, the following news has come out (believe at your own risk in some cases):

1. Billy Corgan is suing Dixie Carter for various reasons. This includes a RESTRAINING ORDER against her and can you really blame him?

<http://www.pwinsider.com/ViewArticle.php?id=105347>

2. Dixie Carter seems to owe half of the world money for selling off pieces of TNA to keep the thing going.

3. Some TNA talent might walk if they don't get paid this weekend.

<http://411mania.com/wrestling/some-tna-talent-will-reportedly-declare-themselves-as-free-agents-if-not-paid-this-weekend/>

I'm sure I missed something in there but we've reached the point where the court system is trying to keep Dixie Carter away from TNA. They're out of money and they have bills. I don't know who Dixie can fleece this time but it looks even worse than usual.

## **Dixie Carter Out As President Of TNA, Replaced By Billy Corgan**

<http://www.pwtorch.com/site/2016/08/12/breaking-tna-announces-major-executive-shake-corgan-carter/>

Maybe this changes things but given that it's TNA, I'll need to see something before I buy into the hype. Corgan at least has money, but I continue to wonder how much is going to be pumped into TNA before the investors give up because they're drawing 350,000 people in a great week.

## **Impact Officially Moving To Thursdays Starting July 21**

<http://411mania.com/wrestling/impact-wrestling-may-be-moving-to-thursday-nights/>

You had to expect this. They hadn't changed nights since last June. If nothing else it gives them yet another excuse for when their numbers go down as they always do.

## **Impact Wrestling Viewership Way Up**

<http://411mania.com/wrestling/tuesdays-impact-wrestling-viewer-ship-sees-big-jump/>

They drew 411,000 (up 88,000) for their highest viewed show on Pop so far.

Well done. Now do it again, only better next time.

## **Matt Hardy vs. Jeff Hardy: The Final Deletion**

Of course it's online now and this really is something that needs to be seen to be believed. It's a bit long but check this stuff out and don't skip ahead to the match itself as you'll miss the most amazing part.

# In Case You Haven't Been Watching TNA

This is what you've been missing.

## Bobby Roode and Eric Young Gone From TNA

<http://wrestlingrumors.net/bobby-roode-and-eric-young-finished-with-tna-wrestling/>

That's quite the shock but causes an even bigger question: how in the world are they going to fill in two hours on Impact now? The roster was thing as it is and now they have two former World Champions gone? I know we say this a lot but they're in even bigger trouble than they were before.

## TNA Releases Awesome Kong

<http://411mania.com/wrestling/tna-releases-awesome-kong/>

No surprise there after the Reby Sky issue. Maybe, just maybe, this might open a door for TNA to make Gail Kim the featured Knockout. I mean, it's been a full hour since we've heard about how AMAZING she really is.

# TNA Postpones India Tour

<http://411mania.com/wrestling/tna-postpones-next-weeks-tour-of-india/>

Dare I say RUH R0!

I know they have TV again and all that good stuff, but these are the kinds of things that make TNA look lame. I get that the tour is probably coming very soon, but there's always something screwing them up and it makes TNA look like they have no idea what they're doing from day to day. That got old a long time ago.
