– Macho Tip

I've seen most of those matches. I'm pretty sure the cage match was on an old Coliseum Video and I remember it being pretty awesome.

Hulk Hogan's Rock N Wrestling Coming To WWE Network

So yeah....best day ever.

Main Event – April 8, 2014: How The Mighty Have Fallen

Main Event

Date: April 8, 2014

Location: CajunDome, Lafayette, Louisiana

Commentators: Tom Phillips, Byron Saxton

This is a show I've wanted to do since I heard the main event announced at the Raw after Wrestlemania. The company was on fire at this point and they were smart enough to put a huge match on the Network to get people to watch. The main event of...well of Main Event is Shield vs. Wyatt Family III. Not bad for the C show. Let's get to it.

We open with a long recap from Raw where Shield turned face to save Bryan from the Authority. Everyone in the building knew that was coming and they went nuts for it anyway.

Opening sequence.

Shield vs. Wyatt Family

Now this is how you open a show. The fireflies aren't a thing for Wyatt yet and it really does take something away from the entrance. Ambrose and Rowan get things going and Dean slaps the mask off his face. Rowan shoves him down but gets caught by a jumping back elbow to the jaw. Rollins comes in to help with a double suplex for two before hammering away on the big man. He even grabs Erick's beard to take him into the corner. Why has no one ever thought of that before?

Rollins tries a crucifix but swings around and drags Erick down into a Koji Clutch. The other Wyatts come in for a save and we have a staredown. Back from a break with Bray hitting a gutbuster on Seth for two. Rowan comes in again and steps on Seth's head before getting two off a belly to back suplex. Off to Harper who pulls Seth out of the corner, only to have him backflip to his feet and send Luke face first into the middle buckle.

The hot tag brings in Reigns to start cleaning house. It's quickly off to Ambrose for a reverse 3D but Harper is up at two. A big boot takes Dean's head off for two more and the Wyatts take over again. Dean tries biting Rowan's finger but gets caught in a side slam for his efforts. Harper comes in and drives Ambrose back into the corner so the Family can keep hammering away.

Dean is sent to the ropes and tries to skin the cat but Rowan kicks him to the floor and we take another break. One of the commercials is for the Warrior DVD which still makes me shake my head given the news that would break about three hours later. Back with Harper Gator Rollins Ambrose but getting caught in a jawbreaker. Harper pops back up though and slams Dean down to stop a hot tag attempt.

Wyatt comes in to stay on the bad back before it's off to Rowan for a bearhug. Dean fights out and grabs a sleeper, only to have Harper make a save. Some stiff uppercuts put Ambrose on the ropes but he finally comes back with the Rebound Clothesline. Bray stops another hot tag attempt but charges into a pair of boots in the corner. Dean goes up top, only to have Wyatt load up a superplex. That's countered as well though and Dean

tries a top rope ax handle but gets caught in a release Rock Bottom.

Rollins and Reigns come in for the save and everything breaks down again. Harper throws Reigns over the announcers' table as Dean counters Sister Abigail into a rollup for a very close two. Ambrose scores with a DDT and makes the hot tag to Rollins. He dropkicks both minions to the floor and hits huge flip dives to knock them both down.

Back in and Seth is backdropped to the apron where he kicks Bray in the face and hits a standing Sliced Bread #2 for a near fall on Rowan. Ambrose breaks up a Harper powerbomb attempt but Bray knocks him outside. The Superman Punch drops Bray and Rollins kicks both monsters in the head. The Apron Kick drills Harper and Rollins hits the springboard knee to Rowan's head, setting up the Dirty Deeds for the pin on Erick at 19:33.

Rating: A-. Great six man tag here as they went for the hot wrestling match instead of the war to give it a nice change of pace from the Elimination Chamber classic. These teams could have fought for years and it would have stayed awesome with the matches being this good. It's awesome to see the Shield get a win, especially when they were coming off the huge turn the night before.

Ambrose faints after the match in a Flair Flip. Renee Young comes in for an interview and Rollins says no one can stop the team when they're united. Ambrose starts coughing and says the others have to do the promo. Young asks about them saving Bryan and Ambrose says the Authority found out what happens when you test the Shield.

The Authority called them anonymous but Rollins insists they're anything but that. Reigns hits on Renee a bit and asks the crowd if he has a name. He was the guy that speared HHH on Raw and he's standing right here. Rollins talks about being prepared for war and calls the Authority the greatest injustice in WWE. They'll fire the final shot and win this war. Believe that. DANG these guys were awesome.

Adam Rose is coming. He was always destined for comedy relief and there's nothing wrong with that.

We see some of the mainstream coverage of the Streak ending.

Video on the history of Wrestlemania set to Celebrate by Kid Rock. This turns into a montage of WWE clips with maybe half of them being from Wrestlemania.

Thank You video for the fans. That's still awesome.

Jack Swagger vs. Dolph Ziggler

Zeb rants about Cesaro turning on them last night, thus confirming his thoughts about immigrants. Ziggler nails a great dropkick to start but Jack takes him down and hits a quick Vader Bomb for two. Dolph comes back with a running cross body and some right hands in the corner, only to have Swagger chop block him down. Another Vader Bomb attempt hits boots but Jack grabs the Patriot Lock. That goes nowhere and Ziggler gets two off the Fameasser. The running DDT gets the same but Ziggler tries to get a bit too fast and is thrown into the Patriot Lock for the submission at 4:07.

Rating: C-. This was fast paced while it lasted but it didn't have the time to go anywhere. I was expecting this to go on until the end of the show but I kind of like them having a third match instead. Swagger works a lot better as a face, even though he's doing a lot of the same stuff.

Clip of Rusev debuting (again) last night.

Sin Cara vs. Alexander Rusev

Kick, slam, Accolade, 47 seconds. He would lose the Alexander in a few months.

Overall Rating: B+. Man it's amazing how far WWE has fallen in the five months since Wrestlemania season. This was a hot show with a great opening match and some awesome videos that made me miss being at Wrestlemania. The six man is awesome and worth seeing, though it's not quite as good as the Elimination Chamber match. Shield really could have gone on for a long time, but I can see why they were split. Imagine what happens when one of them needs help in a few years and you hear that music hit. Really good show.

Warner Brothers Looking To Buy.....Something

The story going around at the moment is that Warner Brothers is looking to buy the WWE video library. However, almost every wrestling site is interpreting this as they want the distribution rights, which is an entirely different idea. That would be a big boost to WWE as Warner Brothers is a far bigger name in distribution than the company WWE uses (Cinedigm) isn't huge from what I can tell. The headline about wanting to buy the whole library is misleading and would cause a lot of major changes in WWE. I can't picture that happening though and my guess is it's just the distribution rights, which would be very interesting as well.

WWE's Pettiness Is Your Gain

So as you may have heard, Punk is suing WWE for royalties on his merchandise. Their response: slash all his merchandise

prices so he gets almost nothing. Like this one for instance: the AWESOME Punk DVD for \$2.99. Seriously.

http://shop.wwe.com/CM-Punk%3A-Best-In-The-World-DVD/W04536,default,pd.html?dwvar_W04536_color=No%20Color&start=6&cgid=cpunk

His shirts and other gear is cheap as well. Even Eric Bischoff's book was more expensive than this if that tells you anything. Grab this stuff while you can.

WWE Confirms Smackdown Staying On Fridays

I'm very surprised by this but if that's what they've got then that's what they've got. TNA moving to Wednesday is still a good idea for them though, given the NFL returning for a full slate of Thursday games.

WWE Cheap Pops

You have to check this out. Where else are you going to get Malibu Kane, John Cena jokes and BERZERKER HUMOR???

The Monday Night War Series

I've checked out the first two episodes so far and the show is entertaining, albeit not really for me. It's a show designed for people that weren't around for the era and want a (somewhat biased. Just a little of course) history of what happened. The first episode is as basic an intro as you can get but the second is an in depth look at the NWO. That being said, it's annoying to sit through the old stuff that I've seen over and over again in countless DVDs. A lot of the footage is recycled to the point that I can remember it word for word. It's still good, though I have no idea how they're going to stretch it out for twenty episodes.

Nitro Coming To The Network Next Week

Cole said it's 100 hours of the show, which would put it at about 1995/1996. That's not bad and the big thing WWE had left to air.

I'd hope that's what's airing as I've written an ebook of those shows which is available from Amazon here:

SyFy Lists Smackdown on

Thursday

In the move that has pretty much been obvious for a few weeks, SyFy has officially listed Smackdown for Thursday, October 2 at 8pm. We're just waiting for the WWE announcement at this point.
