

A Couple of Announcements

First of all, the regular reviews are going to be delayed next week. I have someone coming to visit me and I'll be spending as much time with them as I can so I won't be able to review the shows live. I'll do my best to get them up a day or so later but I can't guarantee it. Please bear with me and remember it's just for one week so starting on the 29th, everything should be back to normal. I'll post something every day though, even if it's just something old school etc.

Second, I'm going to try (emphasis on that word as those of you that know me know I'm rather forgetful at times) to have some more general discussion topic which I'm going to try to post every Wednesday, Saturday and non-PPV Sundays. There's just nothing going on those days and I'd like to give you guys something to talk about if you want to. It'll be general stuff like Favorite Tag Match or something and I'll give my answer also.

Finally, if you guys ever think I'm wrong on something, please call me out on it. I've been involved in a wrestling forum for years so debating wrestling is something I love very much and don't get annoyed with at all. Please don't hesitate to say you think I'm totally wrong on something because there's every chance I might be.
