

# Meltzer Says Impact Has Been Canceled

Obviously take this with a pound of salt, but allegedly Destination America has canceled the show and it's done in September. Apparently the ratings have been strong but not strong enough to warrant the money put in. No word on if this is true or if it's going to stand up going forward, but if there's truth to this, TNA is in major trouble. Again.

# TNA Cancels Late September House Shows

Several shows have been removed from the schedule with the last one now being scheduled for September 7. Now to be fair they did this last year for Bound For Glory, but things are a bit different now. It's also not a good sign that as of now, they won't be running a new event for a month. If nothing else, that could mean some serious ring rust. Hopefully these are rescheduled.
