New Column: Proper Audience Participation

Looking at the hottest feud in wrestling today, which is a main event in one place and a joke in another.

New Column: Star Weakness

You might have been noticing some faces popping up in WWE as of late and that's not a great idea.

New Column: Yeah Not A Fan

Another fan apparently doesn't live up to some imaginary standard.

This is probably going to be the last column for the time being. I've done over 430 of them over 8+ years and they're becoming more and more of a chore. I tend to spend more time thinking "dang I have to do that too" and dreading it more, which is the sign that it's time to switch things up. I might do some short form stuff in the future, but for now, this is

pretty much it.

New Column: All Elite Isn't All Elite

Call it addition by subtraction?

New Column: The Game Changer

He has already done it twice.
