

Christmas Sale On E-Books Still Going

Like everyone else, I've got a sale going for the rest of the year on my ebooks. This is going to run from now through the end of the year. There are three options to pick from:

Any two for \$7 (Usually \$8)

Any three for \$10 (Usually \$12)

ALL SIX for \$15 (Usually \$24)

The books to pick from are:

Complete 1998 Monday Night Raw

Complete 2001 Monday Night Raw

History of the WWE Championship

History of Starrcade

Complete Monday Nitro Volume 1 (1995-1996)

History of In Your House (new)

This will be done a bit differently than usual. Since it would be nearly impossible to do this through Amazon, I'm going to handle this myself. If you're interested in one of these, send me an e-mail at kbwrestlingreviews@hotmail.com and we'll set it up through Paypal.

If you could, drop me a comment on here so I'll make sure to see your e-mail.

Hope you enjoy these,

Thank You Again/Sale Reminder

To my complete and utter amazement, my old record of sales for the ebooks was broken AGAIN in November. I'm shocked that these things keep happening and can't thank you guys enough for supporting me with this stuff. I'll be making them as long as you all keep wanting them.

If you haven't checked out my books yet, here's my Amazon author page with all of them available:

Also remember that I've got a sale up on the ebooks until the end of the year.

Happy Thanksgiving

Thank you all for taking the time to read my ramblings on here. The ad revenue and ebook sales are making it more and more likely that I can do this as my full time job every month as the sales have been consistently going up. I'll keep putting them out as long as you guys want them. Thank you all for sticking with me and I'll be around as long as you want me to be.

Question Regarding the Ebooks

Would having one every month to six weeks be overkill? Remember that there's no time frame for buying them as I'm not taking them down or anything, but would putting a new one out that often be too much? They will **never** be more than \$5 each and they'll be formatted better next time as I've figured out a few things I did wrong. Also I'll be writing an original one soon with a large amount of unreleased material. The reason for the time frame is due to how the payment from Amazon works as basically if I wait for the first of the month, it causes another month of waiting on my end. The book has been selling well and more are definitely coming. I'm just not sure on the time frame.

Thoughts on this?
