411mania Exclusive Review: King Of The Ring 1999: In

Need Of Abdicating

<https://411mania.com/wrestling/halls-king-of-the-ring-1999-review/>

This is an all time disaster of a show and somehow even worse than I remember (good for someone if you like me getting angry).

411mania.com Exclusive Review: Fall Brawl 2000: When Things Were Rotten

<https://411mania.com/wrestling/halls-fall-brawl-2000-review/>

But not as rotten as the rest of the year.

411mania Exclusive Review: Fatal 4-Way: Their Low Point

Yes, somehow this was their best idea for a pay per view that month.

411mania Exclusive Review: Wrestlemania II: Before They Knew

It's three shows in one and somehow none of them are any good.

411mania Exclusive Review: Summerslam 1990: Is She A UFO?

So I've agreed to start doing an exclusive weekly review for 411mania.com. This is going to be a fairly random collection of pay per view reviews as I just get to look at whatever I feel like at any given time. As far as I know, these will never be published anywhere else so please check it out (along with anything else over there, as they have quite the staff of reviewers).

[Check it out right here.](#)
