

# NXT – August 30, 2011 – It's A Clip Show. A CLIP SHOW.

## NXT

Date: August 30, 2011

Host: Matt Striker

It's the show on the night of the live Smackdown...and it's a highlight show. This is NXT Graduates, which means that we're getting highlights of people that have been on NXT rather than any new material. This is EXACTLY what I wanted as this show KEEPS FERAHING GOING. With this, next week we'll be at six months of this season. For those of you wondering, yes I do take donations for psychiatric care. Let's get to it.

So yeah this is going to be Striker narrating kind of like a bad DVD.

We start with Barrett's promo from last week's Smackdown saying he won't fight a jobber.

Video on Brodus Clay.

Time to talk about AJ and we don't get a clip from her on NXT. We get clips from her on Smackdown! Since I really don't want to watch these matches again, I'm just copying the reviews from the originals.

Originally aired August 19, 2011 (Smackdown)

Kelly Kelly/AJ vs. Natalya/Alicia Fox

Nattie vs. AJ to start and the cute one (in plaid) is in trouble. Natalya is killing it here as we're just waiting for the hot tag to Kelly to clean house. AJ finally fights her way to the tag and Kelly does her usual stuff. Alicia misses the axe kick and K2 ends this at 4:30. Just nothing to talk about here.

**Rating:** C. Eh this was fine all things considered. They're really pushing Kelly strong as a "wrestler" but it's not doing anything for me. The girls are almost entirely interchangeable other than Beth and Natalya to a degree. The matches aren't as bad anymore though which is a nice break.

Video on Justin Gabriel being in South Africa.

Matt talks about his sister thinking Gabriel was gorgeous.

### Justin Gabriel vs. Tyson Kidd

Well they had a great match on NXT a few weeks ago so I have high hopes here. We get some nice speed stuff to start and Tyson takes over with some shots to the face. Nice dropkick to the back of the head as the announcers are talking about fishing with sharks. A hard elbow gets two. Justin fires off with some kicks which get two. Kidd rolls through a springboard cross body and tries a leg lock but Justin escapes and hits an STO. Justin goes for the 450 and after knocking Kidd off the top the splash ends it at 4:23.

**Rating:** C+. They're keeping the matches short tonight but I'm digging them. Justin and Kidd are both getting some solid TV time and the matches are getting better. The little clips from South Africa are nice touches as they're giving us a reason to care about him which we didn't have before. Good little TV match here and the 450 is great as always.

Well sure they picked that one. Why pick the really good one from NXT?

Video on Alex Riley.

The version they show is clipped but this is the full review.

Sin Cara vs. Justin Gabriel vs. Heath Slater vs. Sheamus vs. Cody Rhodes vs. Wade Barrett vs. Kane vs. Daniel Bryan

This is going to be a big insane match so it's almost impossible to call what's going on in these things. I'm really not sure who to predict in this. I went with Cody as a more or less random choice mainly out of a lack of anyone else. Big mess to start as these really should only have six people in them. Kane, Barrett and Sheamus clear the ring out and it's a three way staredown.

The Europeans....wait Kane is from Spain. Ok the two guys not named Kane go down and it's ladder time already. Bryan dropkicks Kane down as Slater and Gabriel team up a bit. Cara, who is in white/gray here, gets taken down but the former tag partners fight already. Slater goes for the ladder and is loudly booed. Gabriel goes up but the ladder is way off center. Bryan dropkicks him off but Cody goes up.

Kane sends Sheamus and Cody to the floor but Barrett stops the Big Bald. Kane throws a ladder at Sheamus to take him down. Slater vs. Kane and guess who wins that one. Cara pops up out of nowhere to drill Kane and break up the clothesline. Bryan hits a big dive and Gabriel does the same. Sorry for all the play by play stuff but it's all you can do in these things for the most part.

Cara is like screw you guys I'm the flier here and takes out Sheamus with a huge one. He follows that up by kicking Bryan in the head and hitting the top rope C4 to take Bryan down. Sin tries to go for the briefcase but can't pick a ladder up and into the ring. Barrett kicks his head off so it doesn't matter. They do the whole set up a ladder as a bridge from the ring to the table thing as is customary.

Cara avoids going through it though and Barrett clotheslines the post. For some reason the masked guy goes in again without a ladder and gets his head kicked off by Sheamus. Not a good

night for the Mexican dude. Cara gets powerbombed through the ladder to more or less kill him. BIG pop for Sheamus for that one. Sheamus is controlling almost everyone here as Cara is taken out on a stretcher.

Kane and Sheamus are in the ring and fighting over a ladder. Scratch that as all three go to the floor. Bryan, Kane and Cody are all in the ring with ladders now. The small guys work together to take Kane down and there goes that partnership. Cara is gone now, as in out of the entire arena via a stretcher. Kane has the big ladder set up in the ring and everyone comes in. Cody makes an attempt but all the small guys make a save.

The former Nexus triple teams Bryan and then the tag team tells Barrett to go ahead. Barrett proves why British wrestlers are stupid as he goes up and is pulled down just a few seconds later. Both of them go up but Rhodes shoves the ladder down. Cross Rhodes takes someone down and it's time for Barrett and Rhodes to fight over the ladder. Cross Rhodes takes Barrett out but Sheamus makes the last second save.

There's an Irish Curse and Pasty goes up, only for Bryan to make the save. Bryan rams him into the ladder a few times and goes up at the same time. Sheamus and Kane combine for a Doomsday Device to END Bryan. Kane and Sheamus are alone in the ring now. Well other than a ladder but that doesn't count I don't think. The big ladder is in the ring and a regular one is set up as a bridge against the middle buckle.

Kane escapes though and chokeslams various small people. Big Bald goes up but Bryan makes ANOTHER save despite being legally deceased I believe. Bryan goes up and almost gets the LeBell Lock on the ladder. That would be awesome. Bryan manages to knock Kane to the floor but Slater stops him. Bryan saves AGAIN as he's been insane so far tonight.

Slater goes up one more time but Barrett saves. Time for

Barrett vs. Sheamus which doesn't sound all that appealing. Thankfully they team up and stop Slater, using a ladder like a fork to stop Slater and shove him off the top. That was cool. Sheamus goes nuts and takes out a lot of people so he can climb. Naturally he's not that smart so he sets up another ladder on the top rope.

Sheamus is just beating people up at the moment and not really trying to go after it. Even Booker is saying GO FOR IT. Ok now he's going up but Kane pops up from nowhere to stop him. Sheamus has a bridge ladder beneath him. He goes onto it but doesn't break it. FREAKING OW MAN! Wasteland hits Kane and Gabriel climbs a ladder and hits 450 in the tightest space possible. That was AWESOME.

Bryan and Cody go at it on the ladder as everyone but Barrett is down. Wade comes up as Bryan tries to choke Cody out because he's an idiot. Cody goes down and Wade takes an elbow to knock him backwards a bit. Bryan is alone up there and Wade is on the bridge. Bryan kicks him down and WINS THE CASE! Totally didn't see that one coming.

**Rating:** A. I liked the story telling aspect of this as Bryan was the MVP of this thing. He made a ton of saves and certainly deserved to win it in the end. The spots in this were great and Cara going out might have been due to prevent him from botching something major, which says a lot. I'm not sure I can see Bryan winning a title but stranger things have happened. GREAT match though.

After the Inside Out trailer, we actually TALK ABOUT THE SHOW. It's a highlight reel about what's happened on the show over the last 25 weeks or whatever. We get clips of everyone being eliminated and Bateman returning...and that's it. No word on what's next, no words on upcoming eliminations, nothing. That's it. I have never felt like I wasted my time on a show before, but I do now.

**Overall Rating:** N/A. This wasn't about NXT but it was a nice breath of air on the surface. That being said though, this was supposed to be about people that used to be on NXT, and the furthest we go back is six weeks? The show has been on for a year and a half and they don't go past the middle of July? Next week it'll be six months. I don't know what to say about that at all. Somehow this was the best show in months though.
