

# Happy Thanksgiving Everyone

Thank you all for everything and even if you're not from America, I hope you got to spend some time today with people you care about. I can't thank you all enough for sticking with me for however long you've been here as it's a special feeling to be able to do something like this for a living every day. It's awesome to be able to do this and I'll be doing it for as long as I can. Thank you all again, as always, very much.

# Happy Thanksgiving Everyone

Or whatever you call it (possibly Thursday).

I'm rather thankful (and confused) that so many people come here every day and see what I think about shows. The site has reached a point I never would have imagined to the point where I can do a lot of things I never thought I'd be able to do. It's an amazing feeling to have it actually work this long and I don't know what to say about the whole thing. It blows my mind more every day that this is what I do for a living and I thank you all for every bit of it every same day.

Have a good one and spend some time with your family. Preferably while watching wrestling of course.

# Happy Thanksgiving And Thank You Very Much

First of all, I hope you all have a safe and happy Thanksgiving. If you don't celebrate it, take a few minutes and think about the people or things that you're lucky enough to have. It's a nice thing to do every now and then.

Second, thank you all so much for being around so much this week. It's been by far and away my best week ever for the ad revenue with a new record yesterday in a huge surprise. That and the book sales going way up are making things a lot easier on me and meaning I can switch around and do some more fun shows instead of the stuff I have to do to draw the biggest audiences. It's a very nice break and makes this a lot more fun than it already is.

Thank you all so much and I'm very grateful to everyone who sticks with me for reasons that I'll never fully comprehend. When I see the amount of people that show up as soon as Raw or a pay per view is over, it often makes me shake my head at the thought that so many people want to see what I have to say about it. Thank you for checking out what I have to say every day because it actually has changed my life for the much better.

---

# Happy Thanksgiving

Thank you all for taking the time to read my ramblings on here. The ad revenue and ebook sales are making it more and more likely that I can do this as my full time job every month as the sales have been consistently going up. I'll keep putting them out as long as you guys want them. Thank you all for sticking with me and I'll be around as long as you want me to be.
