

Things Are Going To Be A Bit Slow For A Little While

Have to spend some time in the hospital, though the wife and I will be coming home with someone new later this week. I have no idea when I'll be able to get the weekly shows done but I'll see what I can squeeze in.

Jerry Lawler Hospitalized and Released Before Raw, Not Calling Show

Apparently he was experiencing chest pains and vomiting. He has since been released but doesn't look like he'll be doing Raw tonight. Reports indicate that this wasn't as bad as it sounded.
