No word on how long it will be, if he'll drop the title, or if this is legit yet. I'm sure something will be announced on Raw tonight.

Orton Injured

As I'm sure all of you have heard by now, Orton is injured. Last night at Smackdown there was an angle aired where he can be written off TV for awhile. It's not currently known how bad

it is. Sheamus will be replacing him on the house show circuit.

Thoughts on this?
