

Rusev Possibly Injured At Main Event

<http://411mania.com/wrestling/possible-injury-during-main-event-tapings-spoiler/>

No word yet on severity or anything like that but the last thing WWE needs right now is someone else out with an injury.

Randy Orton Legitimately Injured

<http://411mania.com/wrestling/randy-orton-suffers-shoulder-injury/>

It's another shoulder but there's no word on how much if any time he'll be out for. That's going to make for some very interesting shows going forward with Cena and potentially Orton leaving soon for a long time.

John Cena Possibly Injured At House Show

This one doesn't sound that serious, but not doing the post match stuff isn't a good sign. At least he was able to finish the match. There's a good chance he won't be on Raw though and that's fine considering Seth has a second opponent for the pay per view.

Ryback Injured, Out Of Battleground

<http://www.wwe.com/shows/webbattleground/ryback-injured-27658773>

Sounds legit. I'd assume we get Miz vs. Big Show or a talking segment, but I'd love it if their time was given to Cesaro and/or Rusev. Those guys deserve it after their performances Monday, and I'm sure a lot of fans will be annoyed if they don't make it on but Barrett vs. Truth for the crown makes it instead.

Three Former World Champions Allegedly Finishing Up With TNA

And that's not all for them. Spoilers for the recent tapings included.

Oh and if that's not enough:

[UPDATED: Kurt Angle Announces He Has a Tumor in His Neck](#)

So in case you don't want to click on things, here's what's going on, assuming these are all true:

1. Magnus is leaving
2. James Storm is leaving
3. Austin Aries is leaving
4. Kurt Angle needs ANOTHER neck surgery

I know it's a bad time to be in TNA, but man this is one heck of a series of hits. I don't know where they're going to find the money for talent to replace these guys, but they need to come up with some answers fast. Well, assuming they still have a show to air after September.

Hideo Itami Injured, Could Be

Out 6-8 Months

Due to a bad shoulder. He was starting to figure it out but now this stops his momentum cold. Maybe he can come back with a character though as he'll have more time to work on his presence and talking ability.

Bray Wyatt Sprains Ankle

According to reports. No word on if he'll be able to go tonight or how bad of a sprain it was. As someone with a history of ankle issues, this worries me.

Update on Reigns

According to WWE.com, Reigns will be out four to six weeks, likely closer to six. The hernia has been fixed and it should be just recovery now.

Davey Richards Suffers Broken

Leg

At a house show tonight. No word on how long he'll be out or what's going to happen to the titles, but having so many shows taped in advance give them a chance to set up something new.

Santino Marella Announces The End Of His In Ring Career

Due to another neck injury. I'm sure he'll still be around to do, ahem, comedy.
