

“The First Time WWE Has Been In Egypt” WWE Lied To Us Tonight

Other than the time it was said that the Glamour Girls beat the Jumping Bomb Angels for the Women's Tag Titles in Egypt. You can find the match on the same Coliseum Video as Patterson vs. whatever that South American Champion whose name I can't remember was in Rio, but the official WWE line is that the tag title change was in Egypt back in the 80s.

And yes, I am that big of a wrestling geek.
