

# 1998 Monday Night Raw E-Book On Amazon

It's finally up and available for sale. This is my first try at this and odds are I didn't do it as well as I had hoped. Please check it out as it's only \$5 for 240 pages worth of reviews. That's probably more than you spend on lunch every day and since odds are you're most likely eating something unhealthy, buying this instead will prevent you from having a heart attack and dying by one extra day.

From what I understand this is available on all international versions of Amazon as well. If you're not from America, search "**KB's Complete 1998 Monday Night Raw Reviews**" to find it.

This is on a Kindle format but if you don't have a Kindle, there are **free** apps for just about every electronic device you could own. Here's a link to every possible one.
