Happy Anniversary

To me, as I started this place on December 8, 2010. For some reason I can never get the date right.

I can't believe it's been five years and the site has hit levels I never expected it to reach. Thanks to everyone for following me all this time and I'll be around as long as you'll have me.

Wrestling Wars Podcast Episode 29

With both myself and Shocky at the same time. This week, we explain why WWE is being stupid all over again, plus why NXT could be the greatest thing since Sliced Bread #1.

Took In A Chikara Show Tonight

It was quite the fun time for a reasonable price. I'll have a full review up once I can actually see the show but it was an entertaining night in a small building, meaning a good way to spend an evening. Chikara is definitely not your run of the mill style promotion as it's much more family friendly (the fans were asked not to say something sucked) and it's a bunch of wrestlers in colorful costumes with high impact offense. The wrestling is almost more of a backdrop to the entertainment which makes for an interesting setting. If you know what you're getting into though, it's a fun show and could be very addictive in a hurry.

Just.....Wow

I saw my sales numbers for the ad revenue and book sales for August today and it's taken me a bit of time to be able to speak. It's by far and away the best month I've ever had and I owe all of you a huge debt of thanks. Thank you for coming around here and trying out my stuff. It's changed my life completely and I'm infinitely grateful to all of you for what you've done. Thank you very much.

Wrestlingrumors.net

In case you've never heard of it, this is the site you all should be using for your news, results etc. I'm a staff member over there and handle all the live coverage and results, plus a weekly old school review and the column you see here. The staff is very smart and does things well and you can find some awesome podcasts and video features over there. Check these guys out and start using them more often. It's where I get a lot of my news and I know the staff there works very, very hard at what they do. The site has been around for a few years now and it's growing fast, so head over there and enjoy what they've got.

All Back To Normal

I'm back in the States and everything should be on the normal schedule going forward. Thanks for your patience while I've been away for a few weeks.

Monday Night Raw – July 13, 2015: The KB Is On His Honeymoon So The Show Will Be Up Later Edition

Monday Night Raw

Date: July 13, 2015

Location: Phillips Arena, Atlanta, Georgia

Commentators: Michael Cole, John Bradshaw Layfield, Byron Saxton

It's the go home show for Battleground and thankfully Brock is here, hopefully to beat up a pair of cars in a handicap match this week. Other than that we have the rest of the build towards Wyatt vs. Reigns, possibly even including why they're fighting and what it has to do with Reigns' daughter, and more stuff including whatever Ambrose might be doing on Sunday. Let's get to it.
