

A Few Updates

I finally added some stuff to the links page. That's the first time in probably a year or so. Also I changed the On This Day page a bit by adding what the shows were instead of just the dates. I'm not sure why I didn't do that in the first place.

New Feature

Stole this idea from a friend of mine. On the right hand side of the screen near the top you will now see a box with a random review link in it. If you would like another one, just refresh the page and a new random review will appear. I hope it's something you all enjoy.

Updated the Links Page, Added

Facebook Link

As the title says I put in the link to the site's FB page. I only have it to advertise a bit and you can't comment on there anyway as it makes it easier for me to see comments if they're posted here. Please take a second to like my page so I can get my name out there a bit more. I'd appreciate it. You can like individual reviews if you want also. I'd appreciate it if you would.

Links Updated

Dropped the 411 link because I don't post there anymore and added a new one in the form of Adam King's blog. He does some old school WWF reviews and is worth checking out.

Links Page Added

Added in some sites that I like, some of which are wrestling related but some of which aren't. Enjoy.
