Full Mouth of the South Shore

Appearance

It runs just under two and a half hours but it covers a lot of ground including Raw, Wrestlemania XXXI and Perro Aguayo. I'm on there the entire time.

KB Makes Wrestlemania Predictions

Tonight on the Mouth of the South Shore Radio Show. You can listen to it here:

<http://www.i95sportsnetwork.com/>

The show is always cool and I've been on it a few times. The host is a regular commenter here and worth checking out. The show will also be available on demand after it airs tonight. We'll be making Wrestlemania predictions and talking about whatever else has been going on in recent weeks. Check it out.

Remember That TNA Access Thing I Mentioned?

Well it's starting to come to fruition. One of the co-hosts of the show I've been on before got an interview with Jeff Jarrett, which can be heard here:

To help support their efforts to get more access like this (and potentially to have me getting the same access), check them out at:

i95sportsnetwork.com

Also make sure to like them on Facebook at:

And follow them on Twitter:

This is an actual possibility at this point and it would do them (and me) a lot of good to get some extra support behind them.

Want To Hear KB Talk To TNA Wrestlers?

It's a possibility actually.

As you may know, I'm a semi-regular guest on the Mouth of the South Shore Radio Show. The network that airs the show is being considered to receive media access to TNA, meaning some of their talent will appear on the show. However, they need more social media activity to get such access. If they do, the host has told me that I'll be able to go on the show and talk to the wrestlers live.

So, I need some help with this. If you could, please like Facebook page:

<https://www.facebook.com/MouthOfTheSouthShoreRadioShow>

And follow this Twitter account:

@MotSSRadio

I know the host and I've talked to him several times. He's a good, funny guy who knows his stuff and actually posts here fairly regularly. Please help him (and me) out with this as it would be a huge step forward for the show, the site, and myself. If you have any wrestling friends that would like these, try to get them on board as well. Anything would help it out.

I'm Doing A Live Radio Show Tonight

I'll be back on the Mouth of the South Shore Radio Show at approximately 11:30pm EST tonight. The show is live so we'll have Raw to discuss plus of course the Punk interview. I've been on the show before and it's always a good talk, as hosted by one of the commenters here on the site.

Check it out live here:

i95sportsnetwork.com

The show is going to run about 90 minutes and will be available to listen to on demand about 24 hours later. These shows are always fun and the host is a smart guy. Come check it out.

Oh Radio Tell Me Everything You Know

I'll be on the Mouth of the South Shore tonight to talk about a variety of things, including an entertaining rant about CM Punk. The show airs on the Armed Forces Radio Network tonight at 9:30 pm EST and can be found here.

Also, do me a favor and like their Facebook page. It would help them out a lot and takes all of 4 seconds to do.

Going On The Radio Again

And this time it's going international.

<http://armedforcesradio.co/>

It's the Mouth of the South Shore Radio Show and it airs tomorrow (Monday) night at 9:30pm EST for an hour. The show has already been taped and is a solid interview, talking about Axxess, Wrestlemania, Raw, the Warrior, Evolution and various Divas. It's worth a listen and I'm almost entertaining this time.

Also, do me a favor and like their Facebook page. It would help them out a lot and takes all of 4 seconds to do.
