

....It Didn't Even Last A Day

The views record that was set on Monday was broken AGAIN Tuesday. As you can tell I'm not often one to be short on words, but this is unreal. Thank you guys again. I don't know how to process this yet. When one record stands for nine months and then it's broken four times in six weeks, it's kind of a blow tot he head. Thank you all and I'll hopefully have the first E-Book ready on Friday.

Thank You Again

Yesterday (Tuesday) saw a new record for most views to my site in a single day. The old record took about nine months to break. This one took three weeks. Thank you all for continuously showing up and reading my rambling thoughts. I can't say enough how much I appreciate it.

Thank You All Yet Again

Today (Tuesday) broke my all time record for views in a day. The site has been doing better than it ever has since October and that's because of all my readers. Thank you for sticking around. I can't state how much I appreciate it.

Thanks Again Everyone

Monday set a new record for views here. I couldn't believe the final numbers when I saw it. The main record I had stood for about 9 months and there's been a new high mark set almost every month now. Thanks for your continued support and I'll keep putting stuff up as long as you guys want me to.

Thank You All Very Much

Wednesday was the biggest day I've ever had on here and it's because of you all. Thank you very much as I've been wanting to break my old record for over 9 months now.
