We're back after NorCal's work schedule has cleaned up. Tonight we talk about Takeover, the NXT house show NorCal went to and a good discussion on the territory system and why the future looks bright.

Wrestling Wars Podcast

Episode #7

Featuring me talking about a house show I went to earlier tonight, a very good opening rant on Vince Russo (the classics never die), and of course a discussion of 3 Count.

Wrestling Wars Episode #6

This week we have another first time guest with the Shockmaster. He's every bit as big of an old school wrestling fan as I am, he's an archaeologist and a huge comic book fan. all of which will be discussed on the show. This is going to be an awesome show.

Wrestling Wars Podcast Episode #4

NorCal and I break down Extreme Rules, talk about some NXT news and look at the week's top stories. We even disagree about something for once.

Wrestling Wars Podcast Episodes 3 and 4

Coming this weekend! NorCal and I will be doing an Extreme Rules preview tomorrow night to go up on Saturday and an

Extreme Rules recap show immediately after the show goes off the air to be up that night.

NorCal and I are blown away by how well the show has been received and the amount of times people have been listening to it so we're going to keep going and see where this takes us. I'll let you know when both of them are up and I've already got my match/show picked out.

Keep checking here to see when the next show goes up.

Wrestling Wars Podcast Episode #2

This time the focus is on NFL football with wrestling taking a bit of a backseat. This is a bit of a bonus episode and an introduction to my fellow featured guest Ty Burna (who has helped me keep this site operational in the past). Also in case you weren't wild on them, this show cut down on the F Bombs, but they're still there because that's just how NorCal talks. Assuming there's no complications on my end, I should be back on this weekend for an Extreme Rules preview show so keep an eye out for that.

Wrestling Wars Podcast Episode #1

Is now online. Come here the Mighty Norcal and KB talk about the week in review and KB himself because I'm an interesting creature dare I say so myself. The show runs just over an hour and the audio is far better than I was expecting it to be with just two fans talking about wrestling.

The show does have some salty language so headphones may be advised.

Check it out, spread the word about it, let me know what you might like to hear and any criticisms/critiques/gratuitous praise you wish to heap on us.

Wrestling Wars Podcast Update

We had our first dry run tonight and went over the format etc. Everything went very well and he's already set up a site for the show. Itunes is a work in progress at the moment but it looks like the show will be there in the near future. The debut episode will be recorded tomorrow night and hopefully put online within a day after that. We should have a schedule in place soon but I'll keep you all posted on new episodes coming up. Remember that I won't be on all the shows but I'm

sure you'll get to know the regular host and want to listen to what he's got to say every week.

I'll keep you guys up to date and hopefully the first show will be up by Tuesday at the latest, but hopefully before Raw goes on the air.

I'm Going To Be A Regular On A Podcast

A buddy of mine is starting a podcast and has offered me a spot as a regular featured guest. The show will cover wrestling every week and another subject depending on the guest that week. I'll be one of two regular guests, along with another regular and a cast of rotating guests every third week. Like I said, there will be wrestling talk every week, plus stuff ranging from European history to fantasy football to whatever else he and his guests feel like talking about. He's a well rounded guy and has an interesting take on almost everything so no show is going to be dull.

The host is a veteran wrestling fan who can go toe to toe with me in wrestling knowledge and is far more in depth on the booking side of things than I am. We've talked wrestling for years so why not record it and put it on the internet? We're hoping to have the first show, with me as the guest, dropping early next week and I'd love it if you all would check it out and see what you think of it. I can assure you there will be good wrestling talk on there plus whatever else comes up with two guys that know and respect the old school of wrestling.

Check us out on the Wrestling Wars Podcast (tentative name), which should be debuting next week. I'll keep you posted but this is almost guaranteed to happen in the near future.
