

Full Mouth of the South Shore Appearance

It runs just under two and a half hours but it covers a lot of ground including Raw, Wrestlemania XXXI and Perro Aguayo. I'm on there the entire time.

I'm Doing A Live Radio Show Tonight

I'll be back on the Mouth of the South Shore Radio Show at approximately 11:30pm EST tonight. The show is live so we'll have Raw to discuss plus of course the Punk interview. I've been on the show before and it's always a good talk, as hosted by one of the commenters here on the site.

Check it out live here:

The show is going to run about 90 minutes and will be available to listen to on demand about 24 hours later. These shows are always fun and the host is a smart guy. Come check

it out.

Oh Radio Tell Me Everything You Know

I'll be on the Mouth of the South Shore tonight to talk about a variety of things, including an entertaining rant about CM Punk. The show airs on the Armed Forces Radio Network tonight at 9:30 pm EST and can be found here.

Also, do me a favor and like their Facebook page. It would help them out a lot and takes all of 4 seconds to do.

Won Some House Show Tickets

My local radio station has a wrestling expert and if you can stump him you can get tickets when WWE is in town. This makes me 2-0 against him. Ironically enough, he reads my stuff.

My Radio Show Appearance

The whole show runs about an hour and a half. I show up roughly half an hour in and there's about an hour chat between myself and the host, mainly about 1998 Raw. There's an echo when I talk but it comes and goes. Check it out.
