

Thought of the Day: Mix It Up A Bit

This occurred to me during Raw and while I was watching an old Nitro. As opposed to the new Nitros that is. Raw and Smackdown could use some random matches between guys they don't often feature. Look at the roster they've got. With as many talented guys as they've got, they can't manage to ever get them on one of the bigger shows. I know they're on Superstars and other such C-shows, but instead of having the same matches over and over again, let some of these guys be jobbers on the main shows. I mean, do we need to see Cesaro fight Kofi fifteen times or Sheamus vs. Barrett so often? Look at the six man tag from Raw. Those were six guys you could throw on TV at any time and get a decent match out of them, so why not use them?
