

An Amazing Wrestling Sale

You might want to get in on this.

Highspots is the company that presents WrestleCon but since that went under, they are in need of some money. Therefore, they are offering a CRAZY sale on everything they sell at the moment, which includes everything from wrestling gear to rings to authentic pay per view banners to DVDs to videos on demand to memorabilia and more. Right now, everything on their site is 36% off and all DVDs/video downloads are 50% off. Some of their DVDs and videos are \$5 and under, meaning you can get full wrestling DVDs for \$2 each and under in some cases.

As a result, I've dropped almost \$200 and picked up:

8 Books

1 Old Magazine

15 DVDs (5 PWG, 5 Wrestling Revolver, 2 ROH, 2 FIP, 1 WWE)

12 Downloads (8 PWG, 2 Pro Wrestling Superstars, 1 Five Dollar Wrestling, 1 WrestleCon Supershow, 1 New England Wrestling, all full shows)

2 Documentaries

1 DVD Set

You need to check this stuff out and, as you might have guessed, you'll be seeing a lot of PWG stuff in the near future (and all of the other DVDs I've gotten in the Wrestling Loot Crates/from Jim Cornette's site as I'm running out of space for them). This is perhaps the best sale I've ever seen and you would do yourself a favor to check some of them out.

Holiday Sale

It's almost Christmas time again and like everyone else, I've got a special sale going on. From now until the end of the year, you can get any two of my books for , including the new History of the Royal Rumble.

Since I have no idea how to set something like this up on Amazon, I'll be doing this myself. If you're interested, e-mail me at:

kbwrestlingreviews@hotmail.com

And let me know which ones you want. I'll e-mail you back letting you know I got it. Make sure to include your PayPal account in the e-mail so I can know who is who. My PayPal account is located at:

ptsj2388@Hotmail.com

WWE's Pettiness Is Your Gain

So as you may have heard, Punk is suing WWE for royalties on his merchandise. Their response: slash all his merchandise prices so he gets almost nothing. Like this one for instance: the AWESOME Punk DVD for \$2.99. Seriously.

http://shop.wwe.com/CM-Punk%3A-Best-In-The-World-DVD/W04536,default,pd.html?dwvar_W04536_color=No%20Color&start=6&cgid=cmpunk

His shirts and other gear is cheap as well. Even Eric Bischoff's book was more expensive than this if that tells you anything. Grab this stuff while you can.

Thank You Again/Sale Reminder

To my complete and utter amazement, my old record of sales for the ebooks was broken AGAIN in November. I'm shocked that these things keep happening and can't thank you guys enough for supporting me with this stuff. I'll be making them as long as you all keep wanting them.

If you haven't checked out my books yet, here's my Amazon author page with all of them available:

Also remember that I've got a sale up on the ebooks until the end of the year.

This is going to run through the end of the year. There are three options to pick from:

Any two for \$7 (Usually \$8)

Any three for \$10 (Usually \$12)

ALL SIX for \$15 (Usually \$24)

The books to pick from are:

Complete 1998 Monday Night Raw

Complete 2001 Monday Night Raw

History of the WWE Championship

History of Starrcade

Complete Monday Nitro Volume 1 (1995-1996)

History of In Your House (new)

This will be done a bit differently than usual. Since it would be nearly impossible to do this through Amazon, I'm going to handle this myself. If you're interested in one of these, send me an e-mail at kbwrestlingreviews@hotmail.com and

we'll set it up through Paypal. Also these can be sent internationally as I'll be emailing the books to you so the country isn't a problem whatsoever.

If you could, drop me a comment on here so I'll make sure to see your e-mail.

Hope you enjoy these,
