Coming November 20: The Complete History of

Wrestlemania

Featuring ALL NEW reviews. I've been planning this one for a long time now and the old reviews just weren't very good. If I'm going to release these as an e-book, they should be done a little better.

Until then, check out my other e-books here:

Radio Appearance Call In

Information

As I mentioned I'll be on the Mouth of the South Shore Radio Show live tonight at 10pm EST. It now features live calls and you can get on the show and ask myself and the host (a bright fellow in his own right) whatever you like. I'm sure we'll have a lot to cover after last night's Raw and with Hell in a Cell coming up on Sunday.

You can call in at 1-605-562-8001, then press 5 to get through.

You can also listen live i95sportsnetwork.com or on the Zeno Radio Live app, which is available on most App stores on whatever device you have.

The show will be running from 10pm to 1130pm EST and is always fun. I've been on the show several times over the years and always have a great time. Check it out and call in.

Pick the Survivor Series I Redo

The annual Survivor Series count-up will start this Sunday and like I did with Summerslam, I'll be redoing Survivor Series 2014 as well as whichever one you pick. Vote in the comments and I'll redo which ever you want most.

Back On The Radio Tomorrow

I'll be returning to the Mouth of the South Shore tomorrow night at about 10pm EST. If you're interested, you'll be able to call in to the show and ask myself and the hosts whatever you've got on your mind. I'll have the details for you tomorrow but make sure to check it out as the show is always entertaining.

Obtuse Wrestling Angles Podcast Part 2

I'm on the show again and this was recorded back in late July. Again these are NOT safe for work.

Here's the first show if you missed it.

Appearance On The Obtuse Wrestling Angle Podcast

You might not have heard of this one but it's definitely worth checking out. They've had some major guests like Brutus Beefcake and John Morrison but I was their first in studio guest. This was recorded in the studio of the morning radio show I've listened to for over thirteen years now and it was the coolest moment of my career to get to go in the studio. Check these guys out as they're awesome and hilarious, though the show is NOT safe for work.

We recorded three shows so I'll be on twice more. It should be noted that these were done back in late July so there are a lot of Hogan jokes which might seem a bit dated.

New E-Book: KB's Complete 1997 Monday Night Raw Reviews

Photo credit to Killjoy as always.

As 1996 came to a close, it was clear that WCW was in command of the Monday Night Wars. While Monday Nitro was running away with the battles, Monday Night Raw was the same show that we had been seeing for years. It was clear that something needed to change but it wasn't clear what. The solution would wind up being everything over the course of the year.

In this book, I'll be looking at every episode of Monday Night Raw in 1997. This was the year where things started to change. From Bret Hart turning his back on the fans to Rocky Maivia becoming the Rock to the Undertaker having a brother and dead

parents to Steve Austin showing he had staying power to Mankind having three personalities, 1997 saw Monday Night Raw go from its roots to a modern show in a hurry. As usual I'll be providing play by play, context and analysis of every show.

The book runs over 400 pages on a Kindle and only costs .99, or the equivalent in other currencies. If you don't have a Kindle or e-book reader, there are several **FREE** apps you can use to read it on pretty much any electronic device. You can find those from Amazon [here](#).

You can pick up the book from Amazon [here](#).

From the UK Amazon [here](#).

From the Canadian Amazon [here](#).

Or if you're in another country with its own Amazon page, just search "KB Raw 1997" and my book will be the first thing that pop up.

Also you can still get any of my previous books on the WWE Championship, Monday Night Raw from 1998 and 2001, Monday Nitro from 1995-June 1998, In Your House, Summerslam, Starrcade, ECW Pay Per Views, Royal Rumble, Saturday Night's Main Event, the WWF and WCW pay per views from 1998, Clash of the Champions and the first year of NXT's Full Sail Years at my Amazon author's page [here](#).

I hope you like it and shoot me any questions you might have.
