

Wrestling Wars Podcast

Episodes 3 and 4

Coming this weekend! NorCal and I will be doing an Extreme Rules preview tomorrow night to go up on Saturday and an Extreme Rules recap show immediately after the show goes off the air to be up that night.

NorCal and I are blown away by how well the show has been received and the amount of times people have been listening to it so we're going to keep going and see where this takes us. I'll let you know when both of them are up and I've already got my match/show picked out.

Keep checking here to see when the next show goes up.

Wrestling Wars Podcast

Episode #2

This time the focus is on NFL football with wrestling taking a bit of a backseat. This is a bit of a bonus episode and an introduction to my fellow featured guest Ty Burna (who has helped me keep this site operational in the past). Also in case you weren't wild on them, this show cut down on the F Bombs, but they're still there because that's just how NorCal talks. Assuming there's no complications on my end, I should be back on this weekend for an Extreme Rules preview show so keep an eye out for that.

Wrestling Wars Podcast Episode #1

Is now online. Come here the Mighty Norcal and KB talk about the week in review and KB himself because I'm an interesting creature dare I say so myself. The show runs just over an hour and the audio is far better than I was expecting it to be with just two fans talking about wrestling.

The show does have some salty language so headphones may be advised.

Check it out, spread the word about it, let me know what you might like to hear and any criticisms/critiques/gratuitous praise you wish to heap on us.

Wrestling Wars Podcast Update

We had our first dry run tonight and went over the format etc. Everything went very well and he's already set up a site for the show. Itunes is a work in progress at the moment but it looks like the show will be there in the near future. The debut episode will be recorded

tomorrow night and hopefully put online within a day after that. We should have a schedule in place soon but I'll keep you all posted on new episodes coming up. Remember that I won't be on all the shows but I'm sure you'll get to know the regular host and want to listen to what he's got to say every week.

I'll keep you guys up to date and hopefully the first show will be up by Tuesday at the latest, but hopefully before Raw goes on the air.

I'm Going To Be A Regular On A Podcast

A buddy of mine is starting a podcast and has offered me a spot as a regular featured guest. The show will cover wrestling every week and another subject depending on the guest that week. I'll be one of two regular guests, along with another regular and a cast of rotating guests every third week. Like I said, there will be wrestling talk every week, plus stuff ranging from European history to fantasy football to whatever else he and his guests feel like talking about. He's a well rounded guy and has an interesting take on almost everything so no show is going to be dull.

The host is a veteran wrestling fan who can go toe to toe with me in wrestling knowledge and is far more in depth on the booking side of things than I am. We've talked wrestling for years so why not record it and put it on the internet? We're hoping to have the first show, with me as the guest, dropping early next week and I'd love it if you all would check it out and see what you think of it. I can assure you there will be good wrestling talk on there plus whatever else comes up with two guys that know and respect the old school of wrestling.

Check us out on the Wrestling Wars Podcast (tentative name), which should be debuting next week. I'll keep you posted but this is almost guaranteed

to happen in the near future.

\$25 WWE Shop.com Card

Make me an offer. I'll take the first reasonable one I get.

Anybody Want My \$25 WWEShop Gift Card?

I got it from WWE for being a first day subscriber to the Network and I'm never going to use this. It expires at the end of June and it's going to sit there and expire. I'm willing to sell it for , meaning you get free. If you're interested email me (kbwrestlingreviews at hotmail dot com) and let me know. It's just a code so I'd be able to send it to you over email. I have no idea if this would work internationally so unless you know better, you might want to stay clear. I only have one of course so it's first come first serve.

Also please let me know in the comments if you send me an email as I only check it every few days.

Ads Coming

So since I'm one of the most passive/lazy people you'll ever meet, I stopped getting money from the ads on here about a

year ago and finally got around to setting up some new ones. Basically I survive on the e-book money and I'm getting married this summer so a bit more cash can't hurt. I'm sorry if they get on your nerves but they have to be there for my own sake.

Full Mouth of the South Shore Appearance

It runs just under two and a half hours but it covers a lot of ground including Raw, Wrestlemania XXXI and Perro Aguayo. I'm on there the entire time.

A Few Updates

First of all I've added a Columns section to the quick links menu on the right. I Want To Talk A Little Bit About has pretty much been replaced by the columns so there needed to be a place where they were all collected.

Second, I gave Lucha Underground its own section on the All Reviews and Miscellaneous pages. They have almost twenty shows so it's long past time it had its own area.
