

Merry Christmas

To everyone.

Back Up Now

As you may have noticed, the site was down for several hours today for unknown reasons. Everything is backed up though and the site is back. I keep multiple copies of every review I write so restoring everything wasn't hard. The only things missing are comments from anything posted Friday, but I have them in email form so I've seen everything posted.

Sorry for the issues,

New Bi-Weekly Column

I'll be writing a column called KB's Corner every other Sunday for a recap on Wrestlezone.com. I'll only be linking them here so I don't steal the traffic from [Wrestlezone](http://Wrestlezone.com). The first one was up on December 8 so there will be a new one up this coming Sunday.

Up first: Christmas Presents For The Wrestling Fan

[12/8 *Wrestlezone* Recap: WWE PPV Buyrates Are In, Matt Hardy](#)

[Hits the "Finish Line" in Pro Wrestling, PWG Matt Rushmore Review Plus New Features, WWE/Impact Wrestling Discussion & We Answer Your Questions](#)

This is a link to just my page but check out the rest of it too.

Hope you enjoy,

Christmas Sale On E-Books Still Going

Like everyone else, I've got a sale going for the rest of the year on my ebooks. This is going to run from now through the end of the year. There are three options to pick from:

Any two for \$7 (Usually \$8)

Any three for \$10 (Usually \$12)

ALL SIX for \$15 (Usually \$24)

The books to pick from are:

Complete 1998 Monday Night Raw

Complete 2001 Monday Night Raw

History of the WWE Championship

History of Starrcade

Complete Monday Nitro Volume 1 (1995-1996)

History of In Your House (new)

This will be done a bit differently than usual. Since it would be nearly impossible to do this through Amazon, I'm going to handle this myself. If you're interested in one of these, send me an e-mail at kbwrestlingreviews@hotmail.com and we'll set it up through Paypal.

If you could, drop me a comment on here so I'll make sure to see your e-mail.

Hope you enjoy these,

Special Christmas Review

Coming

It's something people have asked for for a long time now and it'll be up on the holiday. Before the speculation begins, it's not a Christmas show but you better enjoy it anyway.

The Hart Grapevine

It's a site about the Hart Family and is either something official or a REALLY big fan site. Either way their Twitter is followed by Natalya so there's something to them at least.

Either way, they posted one of my reviews on their site so they seem cool to me. Here's a link to their page.

New Series: On This Day II

Since On This Day is nearing the end of its first year and has gone well so far, I'll be bringing it back next year but with a tweek. Next year instead of a show, it'll be focused on

a single wrestler. I'm hoping that it'll be someone whose birthday is on that day but in case there's no one on that day I'll pick someone who did something special on that day. I'll be posting my thoughts on the person as well as reviews of a few of their matches, ranging from famous to less famous. This should be more interesting than some of the lame shows I've put up before. Hopefully I can keep up with the schedule on these unlike this year.

Hope you enjoy it,

Happy Anniversary

To me. The first post ever on the site was three years ago today.

Good grief I sucked back then.

Thank You Again/Sale Reminder

To my complete and utter amazement, my old record of sales for the ebooks was broken AGAIN in November. I'm shocked that these things keep happening and can't thank you guys enough for supporting me with this stuff. I'll be making them as

long as you all keep wanting them.

If you haven't checked out my books yet, here's my Amazon author page with all of them available:

Also remember that I've got a sale up on the ebooks until the end of the year.

This is going to run through the end of the year. There are three options to pick from:

If you could, drop me a comment on here so I'll make sure to see your e-mail.

Hope you enjoy these,

Happy Thanksgiving

Thank you all for taking the time to read my ramblings on here. The ad revenue and ebook sales are making it more and more likely that I can do this as my full time job every month as the sales have been consistently going up. I'll keep putting them out as long as you guys want them. Thank you all for sticking with me and I'll be around as long as you want me to be.
