

New Series: Required Viewing

A lot of times in reviews I'll call a match or promo required viewing. Unfortunately I don't often talk about them in detail, so I figured I might as well do it more often. Every so often (it won't be daily) I'll post a promo or a match (as in the Youtube video of it) that I think is worth seeing and tell you why it's so awesome. I'll try to keep this a bit less familiar, as in there won't be stuff almost everyone has seen like Savage vs. Steamboat or Razor vs. Shawn.

Hope you enjoy it,

All My E-Books Are Now \$4

I'm not sure how long I'll keep them there but odds are it won't be forever. This includes:

Complete 1998 Monday Night Raw Reviews

Complete 2001 Monday Night Raw Reviews

History of Starrcade

History of the WWE Championship

You can find all these books on my Amazon author page here:

All are \$4 of the equivalent of that price in foreign currency. You can find them in any country that has Amazon on their respective websites. Please check them out if you haven't before and I'll be having a new one coming out hopefully at the end of next month.

Thanks as always,

Selling A VHS On Ebay

I found this at a bookstore the other day and thought I'd throw it on ebay to see if anyone would buy it. It's the original VHS of Bash at the Beach 1996, the Hogan heel turn show, and is in good condition. I have a few more wrestling things I might put up if this sells. Buy it before the auction ends tomorrow.

Won Some House Show Tickets

My local radio station has a wrestling expert and if you can stump him you can get tickets when WWE is in town. This makes me 2-0 against him. Ironically enough, he reads my stuff.

Happy 4th of July

Be a REAL American!

Or a real whatever-ian you are!

On The Radio Again Tonight

KB's History Of Starrcade E-Book

It's that time again as I've written a new book with ALL NEW reviews of the flagship show of WCW. There are 18 shows in all in this one, starting back in 1983 and ranging all the way forward through to 2000. This is exactly what it sounds like and is something a lot of old school WCW and NWA fans will be interested in. Also, this time the book is only \$4 instead of the usual five.

The book is available worldwide and can be picked up in America [here](#)

In England/Europe [here](#)

And in Canada [here](#).

If you live somewhere else and want to pick it up, just search "KB's History of Starrcade" on your Amazon site and it should be there.

It's an e-book format, but if you don't have a Kindle or any other kind of e-reader, there are free Apps which can let you read it on your computer, phone or whatever else you prefer.

Anyway, I hope you like it and enjoy.

Happy Memorial Day

Thanks to everyone who died defending our country and to the soldiers who do it to this day.

Enjoy the day off everyone.

Thank You All Again

Yesterday took the page views record and beat it within an inch of its life, shattering the old mark by FORTY PERCENT. I was blown away by this as I expected a big day, I didn't expect this. Thank you so much and I'm still stunned by how well things went yesterday.
