

Messed Up The Rumble Countdown.

I put up 09 by mistake so 08 will go up Thursday. Sorry about that.

Thanks One More Time

Remember how earlier I mentioned a new page views record? Well... It didn't even make it 24 hours. Thanks again guys. This is blowing my mind and I appreciate you all sticking with me.

Thanks Again Everyone

Monday was again a record setting day here as I hit a new high in page views. The original (and by that I mean the first time I started paying attention) record stood for 9 months. This one lasted 26 days. Thank you all for that.

Two more things: 1. Just to brag a bit more, I was used as a source for the first time that I know of:

Click on the link about ECW's first show.

2. Starting this coming Saturday, I won't be reviewing as fast for the next two weeks. Odds are the Rumble review won't be up in full but I'll likely be watching the show and I'll give my thoughts on it. Sorry for the delays but it's out of my hands.

Thanks again,

Big Series Coming

I've spent the last two weeks writing it. It's going to be a series on an old school company and why they're no longer with us. At 15 and a half single spaced pages, putting it in one post seems like a bit much, so starting Tuesday, it'll be here in five days. Look for it, and I hope you're a fan of board games.

Royal Rumble Count-Up Begins Thursday

These seem to be pretty popular. Just out of curiosity... What's your favorite Rumble?

Thank You All Very Much

Wednesday was the biggest day I've ever had on here and it's because of you all. Thank you very much as I've been wanting to break my old record for over 9 months now.

Coming Soon: Table of Contents

Sometime soon, hopefully before the end of the year, I'll be trying to consolidate a list of links to all shows I've done and putting them on the top of the main page. I'll keep it updated with each review I post for easier navigation for both you all and myself.

What Do You Want To See From Me?

Simple question: what kind of content do you want on here? I'm not at all saying I'll change the style I've been using, but what would you like to see as far as content? The style of the reviews isn't going to change and I'm going to be doing the regular TV shows no matter what. Aside from that, what would you like to see?

Merry Christmas To Everyone

Hope you and your loved ones have a Happy Christmas full of good food, good times with family and presents. I'll be at my uncle's place tomorrow so the reviews will be a bit slow until Monday, but I might be able to get one up tomorrow.

Merry Christmas!

Starting Tomorrow

Through the Saturday after Thanksgiving, things are going to be a little slow. I'll have someone coming into town and I'll

be wanting to spend as much time with her as possible. I won't be able to do the live reviews but I'll probably have the reviews up no later than 24 hours later. I'll have the Survivor Series Count-Up stuff every day and I'll post some quick thoughts on the PPV on Sunday if I get to see it live. Thanks for your patience.
