

Thank You All Very Much

Wednesday was the biggest day I've ever had on here and it's because of you all. Thank you very much as I've been wanting to break my old record for over 9 months now.

Coming Soon: Table of Contents

Sometime soon, hopefully before the end of the year, I'll be trying to consolidate a list of links to all shows I've done and putting them on the top of the main page. I'll keep it updated with each review I post for easier navigation for both you all and myself.

What Do You Want To See From Me?

Simple question: what kind of content do you want on here? I'm not at all saying I'll change the style I've been using, but what would you like to see as far as content? The style of the reviews isn't going to change and I'm going to be doing the regular TV shows no matter what. Aside from that, what

would you like to see?

Merry Christmas To Everyone

Hope you and your loved ones have a Happy Christmas full of good food, good times with family and presents. I'll be at my uncle's place tomorrow so the reviews will be a bit slow until Monday, but I might be able to get one up tomorrow.

Merry Christmas!

Starting Tomorrow

Through the Saturday after Thanksgiving, things are going to be a little slow. I'll have someone coming into town and I'll be wanting to spend as much time with her as possible. I won't be able to do the live reviews but I'll probably have the reviews up no later than 24 hours later. I'll have the Survivor Series Count-Up stuff every day and I'll post some quick thoughts on the PPV on Sunday if I get to see it live. Thanks for your patience.

Survivor Series Countdown

I completely forgot about it this year. I'm going to start posting two a day, starting with the 87 original and the one that would be today (Sunday, 1997) and I'll be caught up in about 5 days. S0rry about the delay.

Updated the Links Page, Added Facebook Link

As the title says I put in the link to the site's FB page. I only have it to advertise a bit and you can't comment on there anyway as it makes it easier for me to see comments if they're posted here. Please take a second to like my page so I can get my name out there a bit more. I'd appreciate it. You can like individual reviews if you want also. I'd appreciate it if you would.

Now On Facebook

This wasn't my idea as most of you know that I hate social media. Anyway there's a page for it now and I'll be looking into a way to automatically post links to it. If anyone knows how to do that please let me know.

Anyway it's there now so maybe it'll help me get some new blood here. Also note that the odds of me ever checking that page are about 1 in 104858759385965 so don't post something there that you want me to read.

Links Updated

Dropped the 411 link because I don't post there anymore and added a new one in the form of Adam King's blog. He does some old school WWF reviews and is worth checking out.

ROH TV

Apparently I'll be getting their new show in my area so I'll be reviewing it when it debuts. I've only seen a handful of their shows and I've liked most of them so maybe this will be good.
