

Question For You Guys

Lately I've been posting more stuff about news in wrestling. I know the name of this place is kbwrestling**reviews**, so do you guys want me to keep posting stuff about the news in wrestling as well? I don't mean stuff that's huge, but rather stuff like Rosita and Sarita being gone or Tyson Kidd getting injured and being out for 10-12 months. It doesn't take long to put those things up at all and more content is always good for me. Should I keep doing that or stick with just reviews and major stories?

Thank You Again

Yesterday (Tuesday) saw a new record for most views to my site in a single day. The old record took about nine months to break. This one took three weeks. Thank you all for continuously showing up and reading my rambling thoughts. I can't say enough how much I appreciate it.

Had To Make A Few Adjustments

I had some technical issues so I had to tweek a few things on the All Reviews page. Everything should be the same but if you find a problem with it or any of the other pages listed along the top of the site or on any other other lists of reviews, please let me know.

Merry Christmas Everyone

I hope you have a fun and safe Christmas. Spend time with your families, open presents, eat good food and try to watch some wrestling. Thanks for making the site's year the biggest it's ever been and I'll be back next year with even more reviews.

Thank You All Yet Again

Today (Tuesday) broke my all time record for views in a day. The site has been doing better than it ever has since October and that's because of all my readers. Thank you for sticking

around. I can't state how much I appreciate it.

KB Contest: Someone Name This Freaking Move Already!

I've seen this move used for years and I have no idea what to call it. This is driving me crazy because simple things like this make me insane. It's the one where a guy is in position for a 619 and the other guy hits a running crotch attack to the back of the guy in 619 position. Big Bossman, Jeff Jarrett and Road Dogg regularly used this. Whatever the best one I get by....let's say the time TLC goes on the air will be the official name of the move until either eternity or until I get bored with it and want something new.

Go.

Pick The Christmas Special

I want to do a special review for Christmas but have nothing in mind for it. What would you guys like me to do on Christmas Day? Obvious it requires me to be able to find a copy. It doesn't have to be Christmas related.

The Royal Rumble Redos

I'm starting them today and they'll be going up once a day starting January 2, the day after the debut of On This Day. Also to clear something up, On This Day won't be all new reviews. I don't think that many new shows exist. Sorry if there's any confusion.

Happy Thanksgiving

I just wanted to say thank you to everyone who comes here every day and has supported me over the last two years or so. My numbers haven't been stronger than they have been in the last few weeks ever outside of Wrestlemania time so I'm thrilled with the response I've been getting. Thank you very much for it and Happy Thanksgiving to those of you that celebrate it.

Announcing A New Series: On This Day

You have to have the start of Edge's theme song in your head as you read that. The idea is simple: every day (as far as I can) in 2013, I'm going to post a show that either occurred or aired on that day of the year. I'll try to stay away from taped shows but if there's nothing else I can do then I'll have to go with that. It might be from a major company, it might be an indy company, it might be something you've never heard of, but it'll be once a day for 365 days. I hope you enjoy it.
