

It's Back!!!

Thank goodness. I appreciate the effort from Fan vs. Fan but to say the least, it didn't quite fit. This is going to be kind of a stopgap for awhile because I plan on having a new design in the upcoming weeks, although this is going to be 100% designed and maintained by ME. It'll look like a website rather than a blog and if that doesn't work, I'll change it back to this permanently.

As for differences, I'll have to update all of the reviews I did while I was on the other server, so that'll take awhile but I have them all ready to go. I'm hoping to have them all back up by tomorrow at the latest.

Table of Contents will be updated regularly.

Hopefully I can update my Facebook page again.

I CAN SEE COMMENTS AGAIN!!!

Are there any other questions?

I'm Going To Be On A Radio Show Tonight

A guy from the forums has asked me to be a guest on his wrestling radio show tonight and I'll be appearing. If you're interested in hearing us talk about wrestling tonight, check it out at this address:

<http://www.blogtalkradio.com/fanvsfannetwork/2012/05/17/the-mouth-of-the-southshore-radio-show>

If you'd like to call in, here's the number:

(714) 202-9918

I'll be on at about 10:15EST and I'm not sure when I'll be off.

Major Changes Coming

I'm leaning heavily towards joining a network of sports sites which will result in a completely new layout and look for the site. I'll still own it and will be the only person uploading anything to it, but there's a very good chance that in the near future, things will look very differently around here. Also the comments system will probably be through Facebook.

The Old 2 Hour TNA PPVs

This was their original programming before Impact came along. Would anyone be interested in me doing a few of these?

I've Altered My Schedule

It occurred to me that with 31 PPVs to go, it was going to take me until about Halloween to get done with all of the PPVs. I want them done by around the 4th of July so until I get done with them, I'm going to do alter my schedule a bit. First I'm going to finish this trio of WCW shows then three TNAs. After that I'll do my usual Raw/Nitro/ECW series plus a few others. Then I'll be doing three PPVs from each company in a row, then the Raw/Nitro/ECW thing again, three PPVs from each company in a row, Raw/Nitro/ECW, two PPVs from each company in a row, Raw/Nitro/ECW, and then the final PPV from each company.

In other words, the TV reviews are going to come a little more slowly for the next month or two. After that I'll be adding more of them to my schedule, such as some earlier Raws. Sorry if you're not a fan of this but I've been doing the PPV reviews for over three years and I want to get them done.

Now On Twitter

@kbreviews

There won't be anything on there other than links to the reviews, but apparently this is a good idea. We'll see.

Trying To Get On Twitter

Not sure if it's working yet but eventually it'll be @kbreviews. The full title was too long I guess.

I'll let you know if it's working.

Botchspot.com – That's Not Me

I have no idea what this site is but it popped up as someone linking to me. I checked it out and someone there is using the name klunderbunker and listing this as their home page. That **IS NOT ME**. I don't know who they are, nor have I ever heard of that site, but I didn't write those homophobic comments on there. Sorry if there was any confusion.

Thanks Again Guys

Yesterday (Saturday) shattered my old record for views/hits. Thanks for reading my stuff and I'll be (attempting to) post live Mania results at the end of every match tomorrow night. No guarantees though.

Thanks,

Raw Might Be Delayed On Monday

My Kentucky Wildcats will be playing for the national championship so I might be a little preoccupied. I'll be recording the show and the review will be up as soon as possible, but this takes precedent. Sorry guys.
