

New Column: Less Is More

WWE might be doing something that is long overdue.

Elimination Chamber To Feature Intercontinental And Tag Team Title Matches

Well that's certainly different. I can't wait for them to use the obvious six people for the Intercontinental Title match though, making sure we're never getting any elevation and with the title winding up on Zigler or Barrett. Again.

The Tag Team Title match could be fun though.

Wrestlemania XXX Preview: Tag Team Titles: Usos vs. Real Americans vs. Los Matadores

vs. Ryback/Curtis Axel

We might as well start with the preshow. This is a good example of how the tag division is extensive but not very talented. Los Matadores are just kind of there, Ryback/Curtis Axel are the heel jobbers, the Real Americans are basically about getting Cesaro over, and the Usos are awesome. Yeah there are several teams out there, but none of them are really doing much for me. The heels are there after a favor to Kane and Los Matadores are there because why have three teams when you can have four teams?

I'm going with the Usos, but this basically cleans out the division. A team will have to Rise to beat them, but who could do that....

Tag Team Title match set for Wrestlemania

Ryback and Curtis Axel will get the title shot, meaning they're out of the battle royal. I have a feeling this is going to change though.
