

# Thank You All Again

Last night was the second biggest day we've ever had here. Thank you very much for blowing my mind yet again. I'll be around as long as you guys are.

## Mind Blown

I saw the ebook sale figures for December and they broke my record by a staggering 30%. I have no words to describe how amazed I am at this and I can't thank you enough.

If you haven't checked out any of my stuff, here's my Amazon page with everything I've released so far. If you're not in America, just enter any of the titles into your country's Amazon.

The new book should be out in roughly 3 weeks.

# Thank You Again/Sale Reminder

To my complete and utter amazement, my old record of sales for the ebooks was broken AGAIN in November. I'm shocked that these things keep happening and can't thank you guys enough for supporting me with this stuff. I'll be making them as long as you all keep wanting them.

If you haven't checked out my books yet, here's my Amazon author page with all of them available:

Also remember that I've got a sale up on the ebooks until the end of the year.

This is going to run through the end of the year. There are three options to pick from:

Any two for \$7 (Usually \$8)

Any three for \$10 (Usually \$12)

ALL SIX for \$15 (Usually \$24)

The books to pick from are:

Complete 1998 Monday Night Raw

Complete 2001 Monday Night Raw

History of the WWE Championship

History of Starrcade

Complete Monday Nitro Volume 1 (1995-1996)

History of In Your House (new)

This will be done a bit differently than usual. Since it would be nearly impossible to do this through Amazon, I'm going to handle this myself. If you're interested in one of these, send me an e-mail at [kbwrestlingreviews@hotmail.com](mailto:kbwrestlingreviews@hotmail.com) and we'll set it up through Paypal. Also these can be sent internationally as I'll be emailing the books to you so the country isn't a problem whatsoever.

If you could, drop me a comment on here so I'll make sure to see your e-mail.

Hope you enjoy these,

## **Something I've Wanted To Say For Over 20 Years**

I'm going to Wrestlemania. Booked the hotel room today, non-refundable. Buying the ticket the day it goes on sale, along with a ticket to Axxess. I might take in the Raw the night after the show as well but I'm not sure.

I' thrilled and I can't thank you all enough for supporting me as you have. You're the reason I can make this trip. Thank you all so much.

## **Thank You All Again**

Yesterday took the page views record and beat it within an inch of its life, shattering the old mark by FORTY PERCENT. I was blown away by this as I expected a big day, I didn't expect this. Thank you so much and I'm still stunned by how well things went yesterday.

## **....It Didn't Even Last A Day**

The views record that was set on Monday was broken AGAIN Tuesday. As you can tell I'm not often one to be short on words, but this is unreal. Thank you guys again. I don't know how to process this yet. When one record stands for nine months and then it's broken four times in six weeks, it's kind of a blow tot he head. Thank you all and I'll hopefully have the first E-Book ready on Friday.

## Thank You All Part 9 Or So

Yet AGAIN the views record came down yesterday. I started this place a little over two years ago and I'm blown away by what kind of a response it's getting. You guys are awesome and I can't thank you enough for showing up here and reading my babbles. I really do appreciate it, even if I say this every week or so now.

**.....WOW**

So on Monday, my page views for the site nearly broke the record for a single day but came up short. On Tuesday, the record wasn't broken either. The record was DESTROYED, with Tuesday's total being a mind blowing 14% higher than the old record from three weeks ago. I don't know what's happened around here lately but the numbers are going through the roof and I couldn't be happier. Thank you all again and please keep coming around. I'm stunned by how well this has been going and I'll be around for as long as you guys want me here.

# Thank You Again

Yesterday (Tuesday) saw a new record for most views to my site in a single day. The old record took about nine months to break. This one took three weeks. Thank you all for continuously showing up and reading my rambling thoughts. I can't say enough how much I appreciate it.

# Thank You All Yet Again

Today (Tuesday) broke my all time record for views in a day. The site has been doing better than it ever has since October and that's because of all my readers. Thank you for sticking around. I can't state how much I appreciate it.
