If you don't... You should because they won both title matches tonight.

Royal Rumble Pre-Show Match Set

It's not a spoiler but since people insist on whining about reading news when they come to a site where news is posted, I'll put it after the break. I'll even go one up on that and throw in some fake tags. Is THAT enough to make you lunkheads happy? Cesaro is defending against Miz. You knew that was going to be added to the card in some sort.

Santino Marella Wins The US Title

Ricky Steamboat, Ric Flair, Magnum TA.....Santino Marella?

Swagger wasn't doing jack with it so putting it on someone the people love and who is at least on TV every week is fine.

Ryder Loses US Title To Swagger

Yes WWE, let's make sure that no one the fans decide gets a sustained push. Better put the title on a hand selected guy instead. Those fans don't know what they're talking about. He had one of the most unique rises up the card in years and they make him a coward who won't throw a single punch at Kane after less than a month. This company REALLY makes me mad at times.
