Sweet goodness. You're marrying into the elite family and you're the US Champion. What more could you possibly want? I'm not sure what Andrade did but dang that's quite the nitwitted move to make. Oddly enough he kept the title, which shows you what WWE thinks of either him or Humberto, but maybe we'll see something different when he gets back. Either way, not the brightest move.

Randy Orton Suspended For 60 Days By WWE Due To Wellness Violation

Evan Bourne Suspended For Second Wellness Violation

According to the WWE's Corporate Site.

Methinks he's gone. I don't see any reason to keep him around, especially after losing the titles already. Just cut him now.
