

Greetings From Philadelphia

As you might have guessed, I'm in town for Wrestlemania Weekend. I'll be out at shows and events most of the weekend so you shouldn't expect the schedule to be anything close to normal. I'll be doing the shows on any downtime I have, including a bunch of indy stuff (I already took in Stardom and the WrestleCon SuperShow) as usual. I get back into town on Tuesday and things should start getting back to normal around then. Thank you for your patience and I'll have a lot of good stuff coming soon.

KB

I've Set My Wrestlemania Schedule

From April 7 – April 12: 24 shows, many of which overlap. I'll be doing them as fast as I can but next week is going to be even more out of whack than usual. This is the busiest time of the year so I ask you to please bear with me. There is going to be a great variety of stuff coming up though, and I might even add a few more.

And, as a bonus, somewhere around there, I should be co-hosting a new weekly (in theory) podcast.

My Wrestlemania Week Schedule

I'm heading back to the show this year and now I have all of my tickets taken care of. It's not as packed this year as I'll be doing eight shows plus WrestleCon and Axxess. The major perk is I'm flying in this time so there won't be a three day period where I'm recovering and trying to catch up on everything. Here's what I'll be taking in:

April 2 Thursday

8pm – WrestleCon SuperShow

April 3 Friday

12pm – Evolve 149

3pm – Body Guy Spectacular

8pm – Smackdown

April 4 Saturday

9am – WrestleCon

3pm – WrestleCon Worldwide

7pm – Takeover: Tampa

April 5 Sunday

1pm – 4pm WrestleMania Pre-Party

5pm – Wrestlemania XXXVI

April 6 Monday

1pm – 5pm – Axxess

8pm – Monday Night Raw

I wish I could make the New Japan show but I don't get into town until about forty minutes before it starts and the airport is about 20 minutes from my hotel.

New Column: Mr. And Mrs. Wrestlemania Weekend

There's a lot going on over those few days:

Greetings From New Orleans!

Did I forget to tell you that I was doing Wrestlemania weekend again this year? At the moment:

Axxess

WrestleCon Supershow (Some guy named Omega is wrestling)

WrestleCon Friday and Sunday (with various pictures with guests already purchased)

Rev Pro (With Tana...Tana....that air guitar guy)

Maybe Impact vs. Lucha Underground (depends on how tired I am as there's a long wait between shows)

Wrestling Revolver

Takeover

Wrestlemania

Raw

Smackdown

And anything else I find time to do. Already in the hotel, which I can do because of all of you. Thank you again, as always.
