

Wrestlemania XXXII Preview: AJ Styles vs. Chris Jericho

Part 4.

Now this one kind of confuses me as there's really no reason to have them fight three times before this match. I get the idea they're going for but they could have done the same story after Styles beat Jericho once instead of a best of three. It's not the best story but the build has been, for lack of a better term, phenomenal. Having Jericho whisper those AJ STYLES chants gave me chills and the story is better every time I think about it. Above all else, this story is simple and you could follow it step by step along the way. It's a bit like Bret vs. Owen from 1994 and that's a high compliment.

I'll go with AJ winning for what should be obvious reasons. As is the case with every major Jericho match, there's no reason for him to win and I can't imagine WWE or Jericho in general for that matter is going to think otherwise. Styles wins here and moves on to something else, hopefully involving a title. Jericho can feud with whomever he wants and give them a good rub, despite the fact that he loses here.

It's Wrestlemania Sunday

We have arrived. This is the biggest night of the year and is going to be one of the biggest shows of all time. I know the card isn't the strongest in the world but the atmosphere and crowd size alone are going to carry this several levels further. This is the night of the year that we all wait for and it's our Super Bowl. Wrestlemania is something special and there's always something great on the show. I know a lot of people aren't happy with what we're getting this year but I can almost promise you that you'll enjoy something. Take off the smart glasses this year and just enjoy the spectacle that this show is going to be.

Met Bray Wyatt

At FYE in Texas. And he couldn't have been nicer. It's a horrible breach of kayfabe but it was a really nice time as he talked to my wife about her hometown and how messy the roads are there and said meeting me was his pleasure. It was almost jarring how nice the guy was and how he really seemed to like being there.

Wrestlemania Week Schedule

In case you haven't heard, the wife and I are heading down to Dallas for the weekend for Wrestlemania and associated acts.

We'll be taking in Takeover: Dallas, Axxess on Saturday, Axxess again on Sunday morning where we get to meet Shawn Michaels himself, then Wrestlemania and of course Raw the next night. Just like two years ago, things are going to be a bit slow around the weekend as I can only get in so much reviewing while I'm in the hotel. This is also our honeymoon so she's actually expecting me to spend time with her instead of something important.

Therefore, the reviews are all going to be a bit behind but I'll be making posts for discussion before we leave and I'll put up a quick live recap/thoughts on each show after we get back to the hotel each night. Once I get back home I'll be looking at the shows in full for the regular reviews.

Which Wrestlemania Should I Redo?

Aside from XXXI of course. The count-up starts March 3.

New Column: Road Work To Be Done

I've been asked to talk about Roman Reigns vs. HHH and the Vince McMahon/Shane McMahon/Undertaker stuff so here's a column about both of them (in different sections) plus some other news that makes me shake my head.

Brock Lesnar Attacks Dean Ambrose Before Raw

And there's a video. In theory this is now a Wrestlemania match, meaning Bray vs. Brock could be off the books.

Also, how cool is it to see an actual angle that feels like it's going on in real life? Why can that only happen for Wrestlemania?
