Wrestling Wars Podcast Episode 8

We're back after NorCal's work schedule has cleaned up. Tonight we talk about Takeover, the NXT house show NorCal went to and a good discussion on the territory system and why the future looks bright.

Episode #7

Featuring me talking about a house show I went to earlier tonight, a very good opening rant on Vince Russo (the classics never die), and of course a discussion of 3 Count.

Wrestling Wars Episode #6

This week we have another first time guest with the Shockmaster. He's every bit as big of an old school wrestling fan as I am, he's an archaeologist and a huge comic book fan. all of which will be discussed on the show. This is going to be an awesome show.

Wrestling Wars Podcast Episodes 3 and 4

Coming this weekend! NorCal and I will be doing an Extreme Rules preview tomorrow night to go up on Saturday and an Extreme Rules recap show immediately after the show goes off the air to be up that night.

NorCal and I are blown away by how well the show has been

received and the amount of times people have been listening to it so we're going to keep going and see where this takes us. I'll let you know when both of them are up and I've already got my match/show picked out.

Keep checking here to see when the next show goes up.

Wrestling Wars Podcast Episode #2

This time the focus is on NFL football with wrestling taking a bit of a backseat. This is a bit of a bonus episode and an introduction to my fellow featured guest Ty Burna (who has helped me keep this site operational in the past). Also in case you weren't wild on them, this show cut down on the F Bombs, but they're still there because that's just how NorCal talks. Assuming there's no complications on my end, I should be back on this weekend for an Extreme Rules preview show so keep an eye out for that.

Episode #1

Is now online. Come here the Mighty Norcal and KB talk about the week in review and KB himself because I'm an interesting creature dare I say so myself. The show runs just over an hour and the audio is far better than I was expecting it to be with just two fans talking about wrestling.

The show does have some salty language so headphones may be advised.

Check it out, spread the word about it, let me know what you might like to hear and any criticisms/critiques/gratuitous praise you wish to heap on us.
