Wrestling Wars Podcast Episode 55 Plus Cool Announcement

It's time to talk about Jimmy Uso vs. the law and the messy ending to this week's Raw and more, but there's also a bonus.

Tomorrow at 530pm EST, NorCal and I will be going live on the Wrestling Rumors Facebook page ([link right here](#)) for a special Facebook Live prediction show for Elimination Chamber. We're hoping to do this for every pay per view going forward so check us out and get in on the chat, with NorCal and I interacting with the live viewers. We'll probably ask your opinions and take some questions, so get in there with us.
