And remember to check out the rest of [wrestlingrumors.net](http://www.wrestlingrumors.net) for a bunch of other cool stuff.

Wrestlingrumors.net

In case you've never heard of it, this is the site you all should be using for your news, results etc. I'm a staff member over there and handle all the live coverage and results, plus a weekly old school review and the column you

see here. The staff is very smart and does things well and you can find some awesome podcasts and video features over there. Check these guys out and start using them more often. It's where I get a lot of my news and I know the staff there works very, very hard at what they do. The site has been around for a few years now and it's growing fast, so head over there and enjoy what they've got.
