Wrestlingrumors.net

I've mentioned this site before but things are starting to be revamped over there and it's getting a lot better. We've got a bunch of new people covering the news (including myself for the first time ever on any site) and a lot of new content, including video news updates and a lot more opinion pieces. Check it out at the regular site and on Facebook (<https://www.facebook.com/wrestlingrumors>) as they're getting a lot better and it's worth spending your time on.

New Column: Smackdown Is Better
