

# Anybody Want My \$25 WWEShop Gift Card?

I got it from WWE for being a first day subscriber to the Network and I'm never going to use this. It expires at the end of June and it's going to sit there and expire. I'm willing to sell it for , meaning you get free. If you're interested email me (kbwrestlingreviews at hotmail dot com) and let me know. It's just a code so I'd be able to send it to you over email. I have no idea if this would work internationally so unless you know better, you might want to stay clear. I only have one of course so it's first come first serve.

Also please let me know in the comments if you send me an email as I only check it every few days.

## WWE's Pettiness Is Your Gain

So as you may have heard, Punk is suing WWE for royalties on his merchandise. Their response: slash all his merchandise prices so he gets almost nothing. Like this one for instance: the AWESOME Punk DVD for \$2.99. Seriously.

His shirts and other gear is cheap as well. Even Eric Bischoff's book was more expensive than this if that tells you anything. Grab this stuff while you can.
